Kia ora koutou,

It's hard to believe we are halfway through the term. It was great to see so many of you at parent-teacher interviews last night. We hope that you found the interviews worthwhile. If you've got any feedback for us, please fill in the very brief form sent out on HERO this morning. If you weren't able to make the interviews, we'll be in touch to see if there's a time that does work for you.

Northern Athletics

Congratulations to the following students who have qualified to represent Mossburn School at Northern Athletics on Wednesday next week:

HERO

Many thanks for your patience while we get HERO up and running. There was a glitch that was preventing you from seeing the learning information we were putting on (you'd just get a notification but not be able to see the actual post) which we have now rectified. You should be able to click on Mawhero, Kakariki or Kikorangi Learning and see posts that your child's teacher has put on. Please let us know if you are having issues with HERO - it probably isn't your or your phone's fault. We probably need to change something at our end.

BUS MONITORS

The 2024 bus monitors are Alex & Harry (Five Rivers), Sophie & Jorja (Wreys Bush) & Chloe Anne & Luke (Centre Hill). There have been a few issues on the buses in the afternoon so if you can have a chat to your child about sitting in their seat and making sure their seat belt is on, that would be great.

School Phone

It seems to be working okay without having a landline so we will look to have it disconnected soon unless anyone can think of any reason why we shouldn't. Please remember - to contact the office: 0223074496, to contact Tracey - 0272856252. Please make sure messages for the bus/after school pick ups go to the office phone.

As always, please feel free to contact us if you have any questions or concerns.

Nga mihi nui,
Tracey

ASSEMBLY AWARDS - Week 5

Congratulations!

The 35 students who completed a charm card this week!

Emily Osment - The Trusler "Attitude is Everything" Trophy for being so helpful in Kākāriki.

Sienna Brander received her award for having a brilliant start at school last week.

Thea Stalker for always trying your best and persevering with tricky stuff; Indie Hazlett-West for writing a great recount on athletics day.

Hayden Huffadine for becoming much more independent; Rubi McGhie for trying so hard in maths this week; Molly Taylor for giving things a go even though they're tricky.

Life Education

The children used their knowledge of WITS (walk away, ignore, talk it out, seek help) to problem solve different situations given to them. They also learned that they needed to be calm before they could problem solve and learned some breathing exercises. We also had a disco party at the end! It's been great seeing the tamariki using this in the playground and in the classroom to solve problems for themselves.
