Roald Dahl Day: A Celebration of Reading

Why Reading Matters

At Coroglen School, we believe that reading is a fundamental skill that opens doors to endless possibilities. It fosters imagination, critical thinking, and a love of learning. When students become avid readers, they develop a deeper understanding of the world around them and are better equipped to navigate life's challenges.

Roald Dahl Day: A Fun-filled Adventure

On Friday, September 13th, our students were immersed in the magical world of Roald Dahl. Dressed as iconic characters like Matilda, the witch from "The Witches," a mischievous cat from "Charlie and the Chocolate Factory," and even a giant peach, our students had a blast celebrating the author's whimsical and imaginative stories.

The day was filled with exciting activities centered around Roald Dahl's works. Students participated in creative writing workshops, acted out their favorite scenes, and even enjoyed a Roald Dahl-themed movie screening. Through these engaging experiences, our students were inspired to explore the power of storytelling and the joy of reading.

Encouraging a Love of Reading at Home

We encourage parents to support their children's reading journey by creating a reading-friendly environment at home. Make time for family reading sessions, visit the local library, and discuss books together. By fostering a love of reading from a young age, we can help our students develop a lifelong passion for learning.

Let's continue to celebrate the power of reading and inspire our students to become lifelong learners.

Pet Day is Coming!

Get Ready for a Furry Fantastic Day

Pet Day is just around the corner, and we're excited to count down to Sunday, September 22nd, 2024. This annual event is a beloved tradition at Coroglen School, bringing together our community and their furry friends for a day of fun, games, and camaraderie.

Behind the Scenes: Preparation and Planning

The planning for Pet Day has been in full swing for weeks now, with our dedicated staff and volunteers working tirelessly to ensure a memorable experience for all. From organising exciting activities to coordinating food stalls, BBQ, and Raffles we've got everything covered.

A Day of Community and Gardening

Last Sunday, September 15th, a group of enthusiastic parents and children spent their day beautifying our school grounds. Their hard work and dedication resulted in a significant improvement to our gardens and the planting of several fruit trees. We extend our sincere gratitude to all the volunteers who participated in this community-building activity.

What to Expect on Pet Day

Pet Day will feature a variety of activities for both pets and their owners. You can look forward to:

- Pet Costume Contest: Dress up your furry friend in their most creative outfit for a chance to win a prize.
- Pet Leading: Test your pet's skills in our judges ring.

We can't wait to see you and your furry friends at Pet Day!

SWIM CLUB REGISTRATION ARE NOW OPEN! ALL WELCOME!

Learning to swim in Whitianga is really important because the town is surrounded by water, including beaches and rivers. It allows people, especially children, to enjoy water based activities confidently and safely.

Head over to the Mercury Bay Swim Club facebook page, they have the registration form pinned at the top or email them directly mbaswimclub@gmail.com. See you poolside... - Swim to Live - Live to Swim
