Key Info for Our Whānau

If you need to collect your child before the 3.00pm bell, please follow the procedure below:
• Go to the school office and inform the receptionist.
• Sign your child out on the iPad.
• Wait at the office for your child to be called up.
To support uninterrupted learning time for all students, please do not go directly to the classrooms. Thank you for helping us keep learning time calm and focused.

Easter Raffle 🐣
Stay tuned! Our Easter Raffle will be launching next week. Keep an eye out for more information about how to take part and support our school.
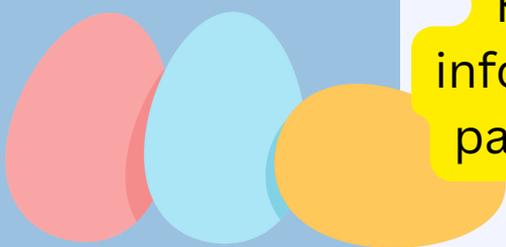

If your child has medication at school, please come in to check the details and expiry dates to ensure everything is up to date. Thank you for helping us keep your tamariki safe and supported.

Parking
A reminder to all parents/caregivers: it is illegal to park in a way that blocks access to or from a driveway. It is illegal to park over and block footpaths. Parking over footpaths puts both Colwill School students and our neighbouring primary school students at risk. When footpaths are blocked, students are forced onto the road to move around parked vehicles, creating a serious safety hazard. Please be aware that parking in some areas can result in a fine, and in some cases, vehicles may be towed.
Thank you for your cooperation and for helping keep our students and wider community safe.

We are collecting feedback about our open night.
Let us know what you think and be in to win a $100 meat pack! It only takes a minute or two and your next few BBQs could be on us!

Second Hand Uniform
If you have any school uniform items that are no longer being used, please consider donating them to the school for other families to use. Your support is greatly appreciated.

Turning up counts! Over 90% attendance puts your child in the draw to win a meat pack.
If your child achieves 90% or above attendance at the end of Term 1, you will go into the draw to win a meat pack!
