Pembroke School

20 February 2025

Malo e le lei, Greetings

Our parent-teacher meeting went well. Thank you for supporting us with the early finish for students. It is important to have parents and teachers share things about our children. We really value the home school partnership.

Touch

My thanks to Mr Walkinshaw for his team arrangement and to the parents who have volunteered to be team managers. Our thanks also to North Otago Touch for the work they do in arranging the venue and draw.

Home and School

The Home and School met last week. They generously donated some money to the school. Each classroom will get \$100.00 for purchasing games and equipment for wet days. They also donated money which will be put forward to some play equipment for the junior syndicate. Keep your eyes out for the easter raffle which will come home next month.

Board meeting

Our first board meeting of the year is set for Monday in the Staffroom. 6.30 Monday 24th February. We will be looking for people to stand in the Board Elections later this year so if you are interested come along and see what we do.

Policy Reviews

Each term we review policies to keep us up to date with legislation changes and to support our community to know what systems we follow in the school.
