

Talofa, Greetings

We welcomed some new students this week. We hope they enjoy their learning journey at our school.

### A busy term

We have a very busy term ahead with lots of activities planned. To support the development of student writing, this term we are having a focus on coding. Coding is where you design steps to get a result. Good writing is supported by developing a clear set of ideas that you plan and follow through with. Swimming starts next week, so please make sure your child has their togs on the right day. **Monday Rms 5, 9, Tuesday Rms 1,2,11 Wednesday Rms 4,10,12 Thursday Rms 3,7 Friday Rms 6,8**

The senior school has a ski trip and a Tekapo trip planned.

Our Kapa haka and Pasifika groups will be practicing hard to be ready for our trip to perform at Polyfest in Dunedin in the first week of September.

Please keep your eye out for notices in regard to these trips. Your support is appreciated. It would be great if our office staff didn't have to call parents when togs are left at home.

### Office entry

There is some great new artwork on display in the office area. Come through the office and check it out.

Reminder assembly is held each Friday morning at 9.00, and we love parents coming to share this time with us.

Regards

Brent Godfery  
Principal
