Malo e le lei, greetings

The year six students had a great overnight trip to Dunedin last week. They have shared some of their adventures with me and I am a bit sad that I didn't go along with them.

## Swimming

I apologise for any confusion around swimming this week. Our newsletter published an old time table by mistake. Swimming next week. Monday Rooms 6 & 9, Tuesday Rooms 4 & 8, Wednesday Rooms 3, 11 & 12, Thursday rooms 2,1 and 10, Friday Rooms 5 & 7.

We are not holding swimming sports this year. If you wish your child to trial for the North Otago Swimming Sports please let their teacher know. We will be timing children to see if they meet the qualifying times and entering them based on this information.

## Board meeting

Last night we held our postponed board meeting. We looked at last years reading and writing data with recommendations on how to further support our students. Remember you can help by encouraging reading and writing at home. Each student should have a reading log for you to sign if they read to you or if you read to them. This term there is a house competition to see which house has the children who read the most so encourage reading. The board also looked at last years accounts and approved the budget for 2025. Our next meeting is set for Tuesday 1<sup>st</sup> April 6.30 in the staff room. We will be seeking some new Board members for later in the year when board elections are being held. It would be great if you could come along and see if it might be a way you can contribute to the school.
