Greetings, Tena Koutou

It has been great to see all our students back at school. Their attitude has been great even with the poor weather over the last day or so. Remember even if the weather is bad the school is open unless we send out a message saying we are closed. **Please let the school know if your child is unwell and unable to attend school for a valid reason. Our staff spend a lot of time checking up on children who don't get to school. This is part of our health and safety procedures.**

If your child is going to be away you can let us know in a variety of ways.

- Phone 4370931 after 8.30

- Text 0274370932

-use the facility in the Skool loop App (This messaging is free, just requires wifi or mobile data.)

Thank you for your support by doing this as early in the day as possible.

Generous Donation supporting Literacy

An anonymous donor has said they will pay for a book for each child from the latest lucky book club offer. Students will be submitting these orders through their teacher this week and we will order and pay for these books on behalf of the donor. Our thanks to the generous family supporting our students.

School reports

This term teachers are working on writing reports to update you on the progress of your children. After this term our reports are likely to change as the Ministry of Education are going to be sending out some new guidance on what they want included.

School Board meeting

Our next meeting is set for the evening of Monday 26th May. Further invites will be sent out closer to the time as we start to look for new people to join the Board as it is an election year. We hope people may take an interest in supporting the school at the Governance level and coming along to a meeting may help you decide.

Support Staff Day

Today is support staff day. This is where we celebrate our support staff. These include teacher aides, librarians, and Office staff. They do many tasks and support many children across our school. Our school is lucky. We have great support staff who really care about your children. Our Board knows how valuable they are and commits a large component of our budget to ensuring this people resource is available for our children. If you know them and see them around, don't forget to thank them for the great work they do.

Have a great Weekend
