

Greetings

What great weather this week. It has been awesome seeing our students out playing and having fun on the field. Please check your children bring home jackets and sweatshirts that they discard during the day due to cold mornings and warmer afternoons. Naming items would also assist us to return items to their owners.

Missing bike

It is unusual for a bike to go missing from school. Last week a special bike disappeared from school on Wednesday. Please check at home in case someone has dropped it off at your house. The bike is quite identifiable with blue wheels and a blue seat. It has an orange frame and orange trainer wheels. If you find it please drop it off at school.

Home and School

A fundraising raffle is coming home today, so please check all bags. Some great prizes. The Home and School has targeted the fundraising to support our swimming programme, and they are putting money towards the costs of the buses.

For your information, we send 240 students to the pool for 15 lessons each during the year. We budget \$24500.00 to pay for pool entry, swimming instructors and the bus trips. It is part of our core curriculum and we do it to support your children's development of life skills. Our thanks to the Home and School for the support and funding.

Board Meeting

Our next school Board meeting is Monday 26th May 6.30 p.m. in the staffroom. This year is a Board Election year. Please come along to the meeting to find out more if you think this may be a way you can support the school.

Have a great weekend

Regards Brent Godfery

Principal
