Tena Koutou, greetings

We are getting to the end of the term and are preparing for next year. I am just about to start printing reports. Staff have been coming to see me and share how much their students have progressed over the year. They are very happy with the progress overall and have some students who have made huge progress. I want to thank all our teachers for the work they have done. Our students are lucky to have teachers who care and make huge efforts to ensure your child is looked after and challenged to learn.

Board meeting

Our next Board meeting is at school on Monday at 7.30 p.m. We will be looking at the draft budget and going over some policies.

End of year events

On Friday, the 27th, the year six students will have their McKerrow's pond trip. A highlight of the year. Our thanks to the parents who have volunteered to transport and join the students. **The Year Six celebration day is set for Friday, 12th December.**

Classes for next year

Classes for next year are being finalised over the next week or so. We take a lot of time to try and get the mix of students and teachers right. There will also be a rearrangement of classes for 2026. Details to come.

Cricket

Over the next few days, North Otago cricket will run some cricket drills over lunchtime. I want to thank Derek for his work with the students yesterday.
