Greetings

Nearing the end of the term and I am so proud of the efforts most of the children are making with their learning and behaviour. Teachers are finishing off assessments and are coming to me excited about the great achievement gains of their students. My thanks to our staff who do such a great job supporting learning.

Reports are due to be finished by the end of week 9. These should come home at the start of week ten along with a letter informing you of classes and teachers for next year.

The Board can now announce that we have appointed Ms Sarah Gordon and Miss Lowri Waugh to permanent teacher positions at the school. We have also employed Miss Paige Lane and Miss Ellarose Capil as teachers for 2025.

My thanks to Mr Walkinshaw for his efforts organizing touch teams this term. Thanks to all the parents for their support and to the children who do their best to play hard and uphold our school values while representing us.

The end of term is always very busy. At times we have to change events or times at short notice due to arising issues or things we have to change.

End of term events

Friday 29th November Year six McKerrows Pond trip

RAISING RESILIENT CAPABLE CHILDREN

Are you a parent/guardian concerned about how your child uses the internet or mobile phone?

Cybercrime is a very real issue facing families in NZ, but there are easy practical steps to reduce the risk.

Waitaki Ara Kāhui Ako invites you to a presentation on the issues associated with the inappropriate use of computers, mobile phones and the internet.

This workshop aims to:

- Identify the specific challenges children face when using ICT.
- Includes guidance on behaviour management processes for parents in the practical situations they will face.
- Empower parents to safeguard their children.
- Parents leave with the tools to support their children in how to use ICT safely and ethically at home and at school.

TOPICS COVERED

- Online sexual exploitation.
- Cyber bullying.
- Future proofing for employment.
- Managing screen time.
- The importance of sleep.
- Online pornography.
- Risk factors and protective factors are identified.

Waitaki Girls' Auditorium
