Greetings

Wow, I can't believe over half our term has gone by already. We have seen some great growth in the independence of our students with our PALs (Physical Activity leaders) organizing and running fun games at lunch times. We are so proud of them and their developing leadership skills.

Teacher Only Day, Friday 21st March.

Remember no school for students next week on **Friday 21st March**. All our staff will be joining with teachers from across the area for some professional development in literacy.

Board Meeting

Our next Board meeting is set for Tuesday, 4th April. Board elections are later this year and we would love to see any interested parents come along.

Home and School

Easter raffle. This will be coming out shortly. The eldest of each family will get a raffle ticket to sell. (Families can ask for more) Please sell the ticket and return it to school as soon as possible. If you can't sell the ticket or don't want a ticket please let the office know. If you get one and don't want it please return it straight away so we can give to others and some families support us by selling multiple tickets. We also ask for donations of easter or grocery items to be donated as these are used to make up the prizes. The money raised is donated to the school and used for supporting your children.

Learning and our reading challenge

I was happy to hear from some teachers this week that they are already seeing some big improvements in the reading abilities of some of their students. Remember this term we are focusing on a reading challenge for our House competition. Please ensure you are reading to, with or listening to your child read each day if possible. Make sure this is recorded in their reading log which should come to school each week for checking.

Policy Reviews

Each term we review policies to keep us up to date with legislation changes and to support our community to know what systems we follow in the school.
