Malo e le lei, greetings

A huge thank you to Miss Lord for her organization of our school athletics. Well done to all our students for their great attitude and willingness to have a go. Thanks to the teachers for running the events and a special thank you to the parents who stepped in and helped make sure the events ran smoothly. Notices have gone home to those who earned a place competing at the North Otago inter-school competition next Monday after school.

Behaviour

Already we can tell the end of year is approaching. Some children are getting tired and less able to control their big emotions. Please remind your children that if they are getting angry or overwhelmed go and seek a teacher for support. We are here to help. We would rather spend time talking and helping rather than trying to understand why an event may have escalated to someone getting in trouble. Remind them we have a great POP treat lined up for the end of the year. We want everyone to make it to the treat.

Swimming

Swimming is on this term but the days are spread out over the term. Please check to make sure your child has their togs on the right day.

New students

We have had quite a few new students start this term. We welcome them to our school. In the great Pembroke way of you see new faces around remember to say hi and make them welcome.

Road closure

A big thank you to the council for getting onto the sink hole that opened up on the corner of Raglan and Harlech streets. Unfortunately, there were some road closures. We appreciate the speed with which the work was done. Thanks to all of you who navigated this development. Only a few glitches.

Please ensure your children cross the roads safely and look both ways and look again, we have had some concerned motorists contact our school with near misses.

Nga mihi

RAISING RESILIENT CAPABLE CHILDREN

Are you a parent/guardian concerned about how your child uses the internet or mobile phone?

Cybercrime is a very real issue facing families in NZ, but there are easy practical steps to reduce the risk.

Waitaki Ara Kāhui Ako invites you to a presentation on the issues associated with the inappropriate use of computers, mobile phones and the internet.

This workshop aims to

- Identify the specific challenges children face when using ICT.
- Includes guidance on behaviour management processes for parents in the practical situations they will face.
- Empower parents to safeguard their children.
- Parents leave with the tools to support their children in how to use ICT safely and ethically at home and at school.

TOPICS COVERED

- Online sexual exploitation.
- Cyber bullying.
- Future proofing for employment.
- Managing screen time.
- The importance of sleep.
- Online pornography.
- Risk factors and protective factors are identified.

Hello we're coming to you!

In October 2023 we invited locals to a 'Community Conversation'. We asked you what you loved about Waitaki, and about your town, and you talked about the challenges facing your communities.

Now we're back to give you an exclusive preview of the 'Waitaki Story' – a project we've been developing with the help of this feedback, alongside engagement with communities and stakeholders around the district.

We're keen to hear your local stories and your ideas on how we can bring the 'Waitaki Story' to life in your town.

We'll also be gathering thoughts and feedback on township entry signage.

All are warmly invited...

Wednesday 20 November 6:30pm @ Oamaru Opera House

What a fantastic day everyone had at the Athletics!!
Well done to all those who managed a placing!!
