Greetings, Talofa,

Wow. Last week of term 3 already. Tomorrow is teacher only day. This is for the primary schools across the Waitaki. We have organized a learning conference for them. The conference also runs on Saturday with teachers giving up the first day of the term break for their professional development. This means **no School tomorrow Friday as school is shut.**

Yesterday was POP treat day. The students who earned the treat enjoyed games of laser tag in the hall. We thank Dave and his crew from the Phoenix Complex for supporting us with this.

Student Safety / Pick up from school.

Yesterday one of our students was called to by someone in a car she didn't recognize and told that her Mum had sent them to pick her up. The student was sensible and walked away. We think that this is likely a mistaken identity issue rather than something malicious. To help ensure child safety at the end of the day, please call the office if someone else is picking them up and have the person meet your child at the office so we can do a hand over. We are happy to do this.

Attendance

Over the last two weeks we have seen great attendance at school. Less illness around and warmer weather. One day last week we only had ten students away. This is the best so far this year.

It is important that children attend school regularly. Early next term I will send each family a print out of their child's attendance so far this year. Having the odd day off does make a difference.

See everyone next term.

School starts back on Monday 14th October
