Term 1

Kia ora Whānau!

Welcome to 2026! I trust that you all enjoyed quality whānau time during the holiday break. It's wonderful to see many of our tamariki attend the start of the new school year and earnest to discover new learning and blessings. We have had up to 93% attendance so far and hope this will continue to improve and be as consistent as possible.

Teachers have planned a range of engaging learning activities to support tamariki. It is so important your child arrives on time each morning so they can receive the best start to their day.

I look forward to working alongside you throughout this new year for the benefit of our amazing tamariki.

School Values

Godliness - Love, Patience, Integrity, Humility

Relationships - Kindness, Inclusion, Respect, Service

Ownership - Honesty, Commitment, Perseverance, Excellence

Wisdom - Discretion, Initiative, Responsibility, Thinking

Our School Values are an important part of school life which helps to create a harmonious and appropriate learning environment congruous for optimum learning. These are also covered during our special whole school weekly God Connection lessons presented by our school Chaplain, Pr Kwan Matautia, staff, students or Pastors. To support tamariki further, we encourage you to spend daily whānau time including these values, as some of you are in the habit of doing during family worship, meal times and activities.

New Playground

We are very grateful to have a new playground and give honour and glory to God. Thanks to whānau who attended our blessing ceremony and to Ponsettia Paniolo who is now in Year 8 and has attended WSDA School the longest. Thanks to Playco & the many contractors for their hard work in providing and installing the playground and a special thanks to past leaders of the school for their careful management of school funds. Our students enjoyed their first play on the playground and cupcake 🍰
