Kia ora whanau!

I hope you all had a wonderful long weekend. Wasn't the weather fantastic?

We are gearing up for the end of the year and as the holidays approach we have a lot going on at school! We will be having our last Whanau Assembly on Friday. This means that the children can wear mufti in their house colours. It would be great to see if any of them could add a Christmas flavour to their outfit too! Who will win the Whanau House trophy for the year?

On Friday our wonderful choir is performing in the Town Square from 6.00 - 6.30pm. It would be great to see as many of us down there as possible to support the hard mahi that Ivory and the choir put in. I am sure it is going to be a wonderful evening!

Parents, whanau and friends are welcome to join us on Monday morning for prayers starting 10:20am, following prayers our Kapa Haka group is performing what they have learnt this term.

The junior school is also excited to perform the Nativity Play on Monday at 2pm in the school hall. Parents, whanau and friends are warmly invited to come along and watch!

Also a reminder our whole school prizegiving will be next Thursday at 6.00pm at the Church. It will be great to see you all there!

Your child's school report will come home at the end of next week. With that report will be their class for next year and their stationery list. If you have any questions regarding the stationery lists, please come and see us in the office.

Noho ora mai ra,

God of hope,
awaken our hearts
to You this Advent season
and fill our hearts
with hopeful anticipation
of Your coming
so that when Jesus arrives,
we are ready to receive Him
in our hearts and minds.
Amen.

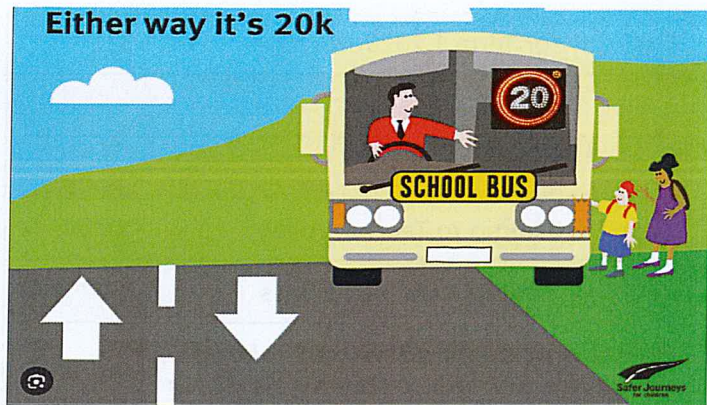

Cobden: 1st, 2nd & 3rd Sundays at 8.00am, Kumara: 5th Sunday 11.00am, Ngahere: 4th Sunday 11.00am. Weekday Masses 5.30pm Tuesday, 9.00am Wednesday and Thursday, 12.10pm Friday.

Either way it's 20k

We have a lot of lost property not named at school currently. Please ensure you name your child / childrens clothes. Any items not named will be taken to St Vincent de Paul at the end of this school year

Reminder to our parents/caregivers of students heading into a digital classroom for the first time next year, please advise the office of your payment plans.

Collecting Students During the School Day

We kindly ask, when possible, you avoid picking students up early, as this can impact their attendance and may interrupt classroom learning. If you do need to collect your child/children before the end of the school day, please come to the school office to sign them out. A staff member will then arrange for your child to meet you at the office. To minimise disruptions, please consider planning early pickups around break times: morning tea is from 10:40 am to 11:00 am, and lunch is from 12:50 pm to 1:30 pm. Thank you for your cooperation and understanding.

Sunhats - Term 1 - Sunhats are to be worn this term during all breaks.. No child will be allowed to play in the sun without a sunhat on. \$15.00 for a new sunhat which can be purchased from the school office.

St Patrick's School is closed on the following dates:
Waitangi Day - Thursday 6 February 2025
Day after Waitangi Day - Friday 7 February 2025

The Greymouth Catholic Schools' Board of Trustees would like to thank our school and parish community for the feedback provided through the consultation on the proposal for dedicated boards for each school.

All of the feedback has been heard and considered by the board. While there are differing views amongst our communities on the best board structure to govern our two schools, what we are united on is that everyone wants the best outcomes for our schools and our students.

There was a lot of feedback in support of the proposal and there were also some valid concerns raised. While the proposal continues to be worked through, the board agreed to form a working group to take a closer look at the concerns of the parents/caregivers and parish community following the consultation. The working group has grouped the feedback into themes. For each of the themes the working group has summarised the suggested actions that could be taken to address the feedback.

Special Character - St Patrick's Primary School and John Paul II High School and their Board of Trustees authentically embrace, embed and live our Catholic Special Character. Having dedicated Boards of Trustees will not affect in any way how board members see the Special Character of both schools and it will remain paramount.

The purpose of having dedicated boards concerns operational activities and the different funding models, reporting and accountabilities for each school. By ensuring we have a robust Memorandum Of Understanding, and practices and policies in place that put our faith firmly in the centre of all we do, we aim to enhance and grow the special character.

Governance is how the board is controlled and run. The board develops a policy framework and processes for decision making, ensures compliance with legal requirements, and puts in place structures for the principal to effectively manage day to day operations. The strategic plan is built around the Special

This is a gentle reminder, the staff car park is not to be used for parking. We would also ask you not to park over any driveways and or on broken yellow lines. These lines have been placed in areas where parking would cause an obstruction or danger to other road users, for example found on an approach to a pedestrian crossing.

Gifts for Christmas Children helping Children

This Christmas we are encouraging children to bring a gift for another child less fortunate than themselves. These gifts will be given to the St Vincent de Paul Society and Sisters of Mercy to distribute to local children in need. Please label the gift boy/girl and the age the gift is suitable for and leave at the school office. Thank you

Character foundation and the reason the schools were established.

Sacramental Programs are a key link to our faith and the parish. The board recognises we need to maintain links with the parish and need to find new ways to increase the engagement between the parish and both schools. As a board we have begun discussion options to help grow this relationship and would intend that this would be a goal maintained.

Action: *Communicate the above messages with our school and parish community.*

Working together and connection between schools - *It is important to reinforce that establishing separate boards is not about separating the two schools. St Patrick's Primary School and John Paul II High School currently operate as two separate entities. They are governed by a combined board, share some common property facilities and are intrinsically linked through the Catholic faith as state integrated schools. The majority of students transition from St Patrick's School to John Paul II High School.*

There is no intention that the schools will operate any differently under dedicated boards. The intention to establish separate boards is to provide more focused governance which better serves the needs of each school and leads to better outcomes for our students.

Action: *Communicate the above messages with our school and parish community*

Attracting Suitable Trustees and Succession Planning - *It is acknowledged that with two smaller dedicated boards more trustees will be required. Good succession planning will be important to ensure there are suitable trustees to fill both Parent Representative and Proprietors Representative roles. NZSBA has some good resources to assist with succession planning.*

Promoting the role of the board through regular communication with the school and parish community would give more visibility of the important work the board does. If people see and understand the board's contribution to the school, they are more likely to stand at board elections or agree to be appointed to the board.

Appointing Proprietors Representatives from St Mary's Parish Hokitika is an option to be considered for John Paul II High School and would expand the pool of potential Proprietors Representatives. As the only Catholic high school on the West Coast, this would also provide an opportunity to strengthen the relationship between John Paul II High School and St Mary's Parish and St Mary's Primary School.

Action: *Board(s) to develop a succession plan for trustees.*

Concern was also raised about the viability of our Parish Priest sitting on two boards with an increased workload now he is the

sole priest in the parish. It will be important to work closely with our Parish Priest to manage this.

Action: Board(s) to work closely with Fr Mathew to ensure he (and any future Parish Priest) can be involved with the board in a way that is manageable.

The role of a school board - Some feedback suggested there is an opportunity to give more visibility to the role and the work that our school board(s) do.

All of Aotearoa's state and state-integrated schools have a school board which is the Crown entity responsible for the governance of the school. The board's core role is to govern its school. Schools help students achieve and succeed to the best of their ability and boards have specific responsibilities under the Education and Training Act 2020, as well as other Acts and legislation, to help them do this.

Governance of a school/kura includes things such as:

- setting the strategic direction and targets for the school/kura
- planning towards and reporting on achieving those targets
- curriculum management
- financial and property management
- policies and procedures
- health and safety
- employment of staff at the school or kura
- The board employs the school's principal to oversee the day-to-day management of the school, and the principal follows the direction of the board to ensure the school's goals are met
- ensuring every student can reach their highest possible standard in student achievement

Board members should be objective in their governance of their school, protect the interests of all students, and work together for the benefit of all students.

The decisions of a board are made according to the Education and Training Act 2020 and within a framework of policies and procedures that the board is responsible for developing and implementing.

Boards have specific responsibilities under the Education and Training Act 2020, as well as other Acts and legislation.

Action: Board(s) to develop a plan for regular communication regarding the work of the board to our school and parish communities.
