Kia ora Parents and Caregivers,

On Monday afternoon I had the pleasure of watching our young Kiwihoops stars in action. A huge thanks to the coaches and managers for helping them develop their skills.

Tuesday's West Coast athletics were a sunny success! Fantastic news: early reports indicate some of our students have qualified to compete in Canterbury. The group at Anzac Park represented St Patrick's incredibly well. Thanks again to all the supporting adults.

You may be aware measles cases have been recorded in New Zealand. If your child or a member of your family have measles symptoms:

- fever (a temperature of at least 38°C)
- cough
- runny nose
- sore, red eyes
- Rash (develops 3-5 days after other symptoms)

Keep them away from school as measles is **highly** contagious. **Crucially: Call your healthcare provider BEFORE visiting them** in person for diagnosis (via a throat or nasal swab). If diagnosed, isolation will likely be requested to stop further spread. You can protect yourselves and your children by becoming immunised with the MMR (Mumps, Measles, Rubella) vaccination available from your healthcare provider. The vaccine is free to anyone under the age of 18. Currently the closest cases to the West Coast are in Nelson.

Mission Market day was a huge success. A big thanks to the year seven and year eight students and their teachers Ms Shannahan and Mrs Harrison-Hines and to all our wonderful students who supported this event. A total of \$1719.10.

Nga mihi

Ian

A special day to pray and care,
Lighting candles everywhere.

Souls we help with prayer and heart.
On this day, we think and say,
Under heaven, they'll find their way.
Let's give thanks and show our love,
Sending prayers to God above.
