The hot chocolates were a real hit so thank you to Tania and Manu Class for their preparation. The student librarians chose a book for me to read and the parade was also a lot of fun with a total of \$135.30 raised - thank you!

## The week that will be

This week our focus fruit of the spirit is, patience. We have our Year 5 - 8's competing in the swimming sports on Thursday 14th from 9:45am - 1:45pm at the Events Centre. Parents, you're more than welcome to walk with us down, cheer us on there or be a timekeeper - all of which is much appreciated. For most this will be an opportunity to show their swimming skills learnt since our school swimming lessons while for others this is the opportunity to compete and represent our school at the Wakatipu Zones.

We continue to run our community outreach programme, KingsView Mini's on Thursday's from 10am. If you or someone you know has pre school aged children and would like to connect with likeminded people then please let them know, we'd love to meet them!

Week 5 memory verse: Ephesians 4 :2

## Patience

**Verse:** "Be completely humble and gentle; be patient, bearing with one another in love." – Ephesians 4:2

**Patience** is waiting with grace. It's more than just holding on until something happens—it's choosing to trust God's timing over our own. In a world where we can get almost anything instantly—fast food, quick downloads, same-day delivery—patience can feel old-fashioned. But in God's Kingdom, patience is powerful.

When we are patient, we slow down enough to listen to others, understand their perspective, and give them space to grow. It's easy to snap when someone makes a mistake or to rush ahead when things aren't happening quickly enough. But patience says, "I'll wait, because I trust God is at work—even if I can't see it yet."

Think about a seed in the garden. You can water it and make sure it's in the sunshine, but you can't make it grow faster. God designed growth to take time. The same is true for people, relationships, and even our prayers—He works in His perfect timing.

Patience makes a difference by allowing us to be slow to anger, more understanding, and more willing to give others room to grow. It builds trust with those around us and prevents unnecessary conflict. It shows the world that our hope isn't in instant results but in the faithful God who always keeps His promises.

### Family Chat:

When was the last time you had to wait for something important? How did it feel?

How can being patient help in friendships, school, and home life?

Where do you find it hardest to be patient?

### Prayer:

Lord, thank You for Your patience with us. Help us to trust Your timing and wait with grace. Give us gentle hearts toward others, even when it's hard to wait. Amen.
