Welcome to Week 6 of Term 2, 2025!

I hope you all had a great long weekend! My family and I jumped in the car and drove to Invercargill and managed to get in a day trip to Bluff.

Last week we held our weekly Rotation Stations. These lessons get students into other classes with a different teacher who teaches a topic they are particularly passionate about. Check out the photos on the left from our cooking, science, art and PE lessons. As a kinaesthetic learner myself I love that that lessons are all so engaging and hands on for our students. Well done to our students for getting stuck in and thanks very much to our amazing teachers for giving these great opportunities to learn more of the world around them.

The week that will be

This week is week 6 and as such the students will be sharing out our three weekly celebration of learning assembly. These are great occasions to hear first hand what we've been up to over the last few weeks. If you can attend we meet at 2pm in the hall.

This week will also include some Cross Country training for our school event on the 10th June. While we will hold some in school training sessions students can also practice as part of their homework.

Blessings,

Amos

Family Devotion: From Orphan to Queen – For a Purpose

Scripture Focus: Esther 4:14 – "And who knows but that you have come to your royal position for such a time as this?"

Esther's story is like a fairy tale with a divine twist. She began life as an orphan – unseen, unknown, and unlikely to make history. But God had a plan.

Raised by her cousin Mordecai in a foreign land, Esther was chosen to become queen of Persia – a position of great honour but also great risk. She didn't become queen by accident. God placed her there for such a time as this – to save her people from destruction.

Her journey reminds us that life has seasons:

- A season of obscurity, where it seems we're unnoticed.
- A season of opportunity, where unexpected doors open.
- A season of courage, where we must choose to step up.

Esther could have stayed silent, safe in the palace. But she chose bravery over comfort. With wisdom and faith, she approached the king – risking her life to stand for what was right.

God still works like this today. He uses unlikely people (yes, even us!) in unexpected seasons to fulfil His purposes. Whether you feel hidden or heroic right now, God is writing your story – and it's bigger than you think.

Discuss Together:

Can you think of a time when something unexpected led to something good?

How can we show courage like Esther in our everyday lives?

What might God be preparing you for "such a time as this"?

Pray Together:

Lord, thank You for using ordinary people in extraordinary ways. Help us to trust You in every season, and to be brave like Esther when You call us to step out. Amen.
