Kia ora Roseneath Whānau

Welcome back to term 3. I hope you have had a wonderful holiday full of rest and relaxation. We have another action packed term ahead focussing on the history of Roseneath School. Each class is taking a different time period to depict in our show during week 10. Classes will look at significant events that happened during their respective eras, in particular those affecting Roseneath School. I am really looking forward to seeing the show. Upper Bridge students will weave a story that will take us through the ages 1898 to 2023. There will be some class visits for students to seek information about the history of Roseneath and class teachers will inform you of these.

Look at all these amazing Roseneath students who have earned a certificate this week!

Sad passing of former pupil

It is with much sorrow to let you know of the sudden and unexpected death of Andre Bradshaw, 25 years old and a former pupil of Roseneath School. He is fondly remembered by staff who were here in the late 2000s. Andre's younger brothers Jamie and Dylan more recently attended Roseneath School.

Andre is survived by his two year old daughter. Our thoughts are with his dad, Dean and family.

I would like to congratulate our staff and pupils for this amazing showcase of our school which is now worldwide!!! A special mention and huge thank you to Miss T - Jenni this is an outstanding video which I know would have taken many hours of thought and preparation let alone the editing. Ka rawe e hoa!!

World Dance Championship Opportunity

Congratulations to Juno in Upper Bridge who is part of NOVA, a junior hip hop crew that has qualified to compete at the Hip Hop Unite World Champs in Portugal in October! The only junior mega crew to do so.

This is a great news story. After their studio closed at the end of last year, these kids were left looking for another place to dance. One of the tutors, Myah Miranda, decided she wanted to keep going and put a call out to see who was interested in forming a crew and competing in 2023. As a result, NOVA was born. NOVA is an all-girl dance crew of 9-13 years old from Wellington.

NOVA's first few months have been hugely successful. In their first 4 competitions, they placed second in 1 competition, and first in the others – including qualifying for the World Champs. What's even more phenomenal is that this success has come with no permanent studio and no support staff. This is a true testament of the skills, talent and hard work of both Myah and the crew – as well as a supportive parent group.

It's costly to get such a big crew to Portugal. If you're able to support NOVA they would greatly appreciate it. They have set up a Give-a-Little page if you can help them out:

<https://givealittle.co.nz/cause/nova-to-world-championships-in-portugal>.

Good luck NOVA! And good luck to Juno!!

Sport - NFL Flag Game

Jemima Hales has been introducing the NFL Flag game to classes over the past week. We are sending a team to the NFL Flag National tournament in November. This is a wonderful opportunity for our Year 5&6 students. NFL Flag is a sport that is a junior version of what we call American Football. It is non contact, skills focused and also very strategic. The players wear a belt with two flags that “pop” on and off. Years 3-8 will have some coaching sessions over this term to learn this new game. Here are some Year 4s learning how to “pop” their flags on and off.

Jemima would love someone to help her coach the Year 5 & 6 team. You don't need to know how to play, you also don't need to be a parent of a Year 5 and 6 student, you just need a willingness to learn, and to be available to help between 2-3 on Monday afternoons. Please let Jemima know if you're keen at

The secondary schools in the Wellington Region would greatly appreciate if Year 8 parents and Whānau could enrol their young person for the 2024 academic year by submitting an application through the online enrolment form provided by your chosen secondary school **prior to Monday, 24 July 2023**. This assists each school with its planning for the 2024 academic year, including allocating resources, class sizes, organising facilities and teaching staff.
