Ma te kotahitanga e whai ai tātau

In unity, we have strength.

Welcome back to Term 2 at Roseneath School. We have a short term ahead with a lot of fun and learning ahead.

We are excited to have our building project at completion with the signing off on Wednesday. We will let you know when we need your muscle to help unload the container and move resources back upstairs. Upper Bridge are excited to return to their upgraded upstairs space.

Aft and Lower Deck have been looking forward to having their deck back for access but also as an extension of their classrooms. You will notice a sink at Aft end for water play and storage outside Lower Deck to keep the outside equipment safe. We thank Marcus and the Maycroft team for keeping to their timeline and for being so considerate to our requests.

You will have noticed another container on the top court. The *Wool in School container is a free mobile resource which we have on site for two weeks. It is packed full of wool in its many, many forms. Our theme for this term is from the science and technology curriculums looking at fibres and their uses. We place a matauranga Māori lens on the theme looking at traditional uses of harakeke or flax.*

Our fitness for the term will include lots of running in preparation for the school's and Central Zones Cross Country events. This year the course is being run at school and incorporates running down, around and back up Pt Jerningham for years 4-8 and around the school for years 1-3. Sneakers will be needed each day for running in safety.

A huge thank you to staff and whānau for a speedy response to our text and email to collect your child/ren early due to the Red weather alert.

Jenny and the Roseneath Team

5 Phrases Your Child Can Use to Stand Up for Themselves

Are you looking for ways to empower your child to stand up for themselves in different situations?

By teaching them a few simple phrases, you can make a big difference in how confident your child feels!

Here are five phrases your child can use to assert themselves and set boundaries:

1. "I need you to stop bothering me and leave me alone."
Your child will show...
They have the confidence to stop the unacceptable behavior.
2. "I don't like being called that. I want you to call me by my name."
Your child will show...
They expect others to be respectful and they do not tolerate verbal abuse.
3. "I didn't have control over that. It's not okay to blame me."
Your child will show...
They will not be the scapegoat and they expect others to be accountable.
4. "I see that you're unhappy. But I can't let you treat me like this."
Your child will show...
They know how to advocate for themselves and set boundaries.
5. "That's not safe. I'm getting someone to help."
Your child will show...
They aren't afraid to ask for help.

And most importantly:

Encourage them to stand up for themselves at home.
Teach them that NO is an acceptable answer by allowing them to use it with you.
Respect their boundaries. If they don't want hugs or tickles, say, "Your body, your rules."
