Ma te kotahitanga e whai ai tātau *In unity, we have strength.*

A big welcome to the world to Mia's baby sister who arrived late on Wednesday night, just hours before Mia's birthday. Congratulations to Sam and Barry. We look forward to meeting the newest addition to the Roseneath family. Another member of the class of 2030!!

We are still waiting on a couple of compliance issues to be resolved and a handrail to be attached to the new deck before we achieve sign off on the building work. Upper Bridge students are inviting their parents to attend a "welcome to our new classroom" next Friday, 6 June. I know the class has enjoyed helping to set up and decorate the room.

Fulton Hogan have **planned roadworks** for the next two weeks between 9am and 4pm. See map on page 3. We will be impacted after school particularly by losing parking outside the school. We ask parents to park on the top court and your child/ren will be waiting with staff by the bollard. Parents walking, we ask you to walk down the steps beside the top car park and hall to collect your child/ren from the side of Long Boat or on the Long Boat deck if it is raining. Children with bicycles will walk up the drive with a teacher. Staff will be strategically placed to ensure our students safely depart. Please take extreme care when driving in and out of the school.

Staff will be busy on the **Teacher Only Day on Tuesday** learning more about PR1ME Mathematics, the refreshed Mathematics curriculum and participating in writing moderation to ensure we are making consistent assessments and accurate judgements of learning.

Our Mahi from Aft

Wet felting pictures with wool *By Aft*

Aft made landscape pictures for the story of Tāne Mahuta and Hineahuone using wool! Then we wet-felted the wool using soap and lots of rubbing. We think they are beautiful!
