Kia Ora Roseneath Whānau

The **Kapa Haka festival** is on **Monday 30 October at Ākau Tangi Stadium** followed by a **performance at school at 2.40pm for parents**. The students have been practicing really hard and their item consists of four waiata incorporating waiata ringa ringa, haka and haka poi. The singing and haka sound amazing. We are looking forward to performing at the festival.

Central Zone Athletics take place on Tuesday 31 October with a postponement day. I'd like to take the opportunity to wish our competitors the best of luck for their events. I know they will demonstrate *The Roseneath Way throughout the competition*.

WANTED!! BBQ

Our school BBQ is no longer fit for purpose and we wonder, now that BBQ season is upon us.... If you are upgrading and have a still serviceable BBQ that you would like to donate to the school we would really appreciate it. We will need one for the Halloween Disco on 31 October.

Halloween

The Halloween Disco is on Tuesday 31 October. Tickets are available at the office and there will be door sales. The children are getting excited about this event. Year 6-8 students will be running the games from 5-6pm. We look forward to seeing all the spooky costumes but have reminded the students their costumes need to be school appropriate. **If you can have any decorations we can borrow please drop them off on Monday as staff will be decorating the hall after school on Monday.**

Food tickets will be available on the night for \$10, \$5 or \$2.50. This saves the food handlers from having to deal with cash. These tickets are available to purchase through the office and on the night

\$2	\$2.50
\$1	\$2.50

Camp - it possibly wasn't the best plan to have a disco and athletics on the day before Long Boat's camp. I know you will have a fun time - let's hope the weather is kind!

ICAS & Kiwi Competition Results

Certificates for these competitions will be awarded at the next assembly on Friday 10 November. We have a number of distinctions, credits and merits among the cohort who took part in these competitions. A big congratulations to all who took part!

Assemblies for Term 4

Our whole school assemblies are held on weeks 1, 4, 7 and 10 of each term. We have made a change to the weeks 4 and 7 assemblies as classes will be away at camp. Assemblies will be as follows:

Week 5 - 10 November Hosted by Upper Bridge Followed by a sport hui

Week 8 - 1 December Hosted by Long Boat 11am as part of 125th Celebrations

Week 10 - 15 December Hosted by Upper Deck

Week 11 - 19 December Year 8 Leavers Assembly 11am

Parents are welcome to attend our assemblies which are a celebration of children's work. Assemblies start just after 9am once class rolls are taken.

125th Anniversary change of date

Our 125th Anniversary celebrations on Friday 1 December will involve former and current students, staff and whānau to celebrate this milestone in the history of our school. The celebration will start with "Down the Bank" activities from 10-11 followed by assembly, lunch 12-1pm, tree planting and cake cutting at 2pm, followed by afternoon tea. The former pupils who had registered will receive a goodie bag and be invited to attend the in school celebration - more details later. Current pupils will receive a goody bag on the day.

Commemorative Tea Towel

We have created a commemorative tea towel to celebrate our 125th Anniversary. These would make ideal Christmas Gifts. They are available to purchase from the office for \$10 each.

Opinion Writing by Lower Deck

I think that Mother Pig should have let the three little pigs out because she knew they had courage deep inside, and that they just had to find the right time to use it. She would not have sent them out if they did not know how to manage themselves. That's why Mother Pig should have sent her three little piggies out into the big wide world.

Cats are better pets than dogs.

Cats are very soft, they can sleep in your bed, and they can sleep in your sleep. They are very hygienic, unlike dogs.

So you should really consider getting a cat!

By George

I think the Mum should have let the third little pig go, and not the other two, because the third little pig knew what to build with.

The other two should be trained better before they leave because they didn't know what to build with.

That is why the third little pig should have gone by himself.

Every school should have a support dog.

I believe that school should have a support dog, because kids need lots of help. If kids need therapy the support dog will support the kid. A support dog could tell the teacher by barking, if a kid is hurt.

That is why schools should have a support dog.

5 Signs You're Breaking the Toxic Generational Cycle

You learned to pause before reacting to your child

You've been yelled at as a child. You choose to manage your big emotions when you're triggered. You do whatever it takes (even walk away) to calm down first. Not every time. But **you do your best.**

You refuse to punish your child

You've been punished as a child and you felt scared and angry. Instead, you set firm boundaries and allow your child to experience natural consequences. You know that **all behaviour is communication.**

You do not say, "Because I said so!"

You've been told that growing up and you felt resentful. You choose to validate your child's feelings and explain the reasons when you say "No".

You do not comment on your child's weight

You know that all comments, even seemingly unharmed ones like, "Didn't you have enough to eat already?" can result in **lifelong problems with body image and self-esteem.**

You make sure your child knows you love them unconditionally

You grew up thinking that you're loved for your good grades and behaviour. You suffered all your life trying to "earn love". Instead, you let your child know they are loved just because they exist.

Every step, no matter how small, gets you closer to being the parent you want for your child.

Thinking of selling?

Sell with the world's premium real estate brand, or refer a friend who does, and we will donate \$2,500 to Roseneath School. **Contact us today.**

HOMESTAY HOST FAMILIES NEEDED

Wellington East Girls' College is needing new host families for some of our international students. These students come from many different countries and stay for varying lengths of time - from one term to a full year. Each host family is paid for the care they provide. The fee paid in 2024 will be \$340 per week. Some of these funds are tax exempt - we can share the link to the Inland Revenue website with you.

In exchange for the hosting fee a family will provide:

- A warm and comfortable bedroom
- Three meals a day
- Kind and friendly family engagement

Wellington East Girls' College has ultimate responsibility for each student with a department of three staff who ensure each student is motivated and well supported at school. We provide a great level of care for each host family with information, guidance and ongoing communication. We are very happy to provide all of the information you may need in order to make a decision about hosting a Wellington East Girls' College international student.

We would love to hear from you - international@wegc.school.nz - we check this email everyday.
