Strategic Plan

Our Huntly Primary Strategic Plan 2024 - 2025 is now complete. The Strategic Plan has three core goals.

Culture and Relationships

- **Hapori embrace their heritage and recognise the importance of positive relationships, enabling a culture of success.**

Horizons

- **Encourage Aakonga to dream, and have personal goals, so they can move into their next phase with confidence.**

Foundations

For details of the planned actions to reach these goals and how we plan to measure our progress please check out the full plan on our website.
