Kia ora e te whānau,

The School Board of Featherston School Te Kura o Paetūmokai, would like to reaffirm our unwavering commitment to Te Tiriti o Waitangi. Regardless of the recent legislative shifts, our core values remain the same. We pride ourselves on our vision to ensure “Our ākonga are resilient individuals with a strong cultural and whānau identity who are valued and contributing members of our community”, and this has not changed. We will continue to uphold the partnership, protection, and participation that Te Tiriti represents, and to ensure all our tamariki learn in environments grounded in respect, equity, and care.

We stand united with our community to ensure our students are taught in classrooms that truly reflect the spirit and responsibilities of Te Tiriti.

Ngā mihi nui,
Featherston School Te Kura o Paetūmokai School Board.
