

## **TREATY OF WAITANGI POLICY**

### ***GOAL***

To state how the school will put into place its commitment to the articles of the Treaty of Waitangi / Te Tiriti o Waitangi as an important part of its determination to significantly improve the educational success of Māori students.

### ***Notes:***

The National Education Guidelines require schools to operate consistently with the articles of the Treaty of Waitangi / Te Tiriti o Waitangi. The National Administration Guidelines places explicit requirements on schools to plan for improving the achievement of Māori students, to carry out a process of self-review, and to report to the community on this self-review and on Māori student achievements.

The Board of Trustees views this as an over-arching policy, as a point of reference for overall governance.

### ***OBJECTIVES***

To ensure that the school has guidelines for the ways in which the articles of the Treaty will be applied.
