

## Mid-Year School Data

The graph below shows our Mid-Year School-Wide Data Report for Reading, Writing, and Maths.

This information is used by the Board to inform decisions around resourcing, by teachers to guide next learning steps, and to keep you, our parent community informed. The data is based on Overall Teacher Judgements, which includes a variety of assessments and observations based on the new curriculums.

If you have any questions or would like to discuss your child's progress, please don't hesitate to get in touch with your classroom teacher.
