17th March 2025

Kia ora Ē te Whānau,

Small Schools Swimming was a huge success, and our tamariki performed exceptionally well, making me a very proud principal. The dedication and effort shown by our students were truly inspiring, and it was fantastic to see them supporting one another and striving for their personal best. We have several students who will now be selected for the Interschool Swimming Sports. Please keep an eye out for a notice in your child's bag with more details. A huge thank you to Liv Martin and all the parents who helped make the day run smoothly.

The Tryathon at school was another highlight of the term. It was wonderful to see so many students giving it their best go and having the support of parents, grandparents, aunties, and uncles. The enthusiasm and positive energy on the day were incredible, and we are truly the luckiest school in NZ. Thank you to everyone who contributed to the event's success.

Last week was a bit disrupted due to teacher professional development and student sickness. Our teachers took a couple of days to review our Structured Literacy programme, iDeal. This professional learning is essential for ensuring we are delivering the best possible education for our tamariki. We appreciate your understanding and support during this time.

We aim to get back into our regular routines and lessons this week. A gentle reminder that if your child has been unwell with a vomiting or diarrhoea bug, they must be completely symptom-free for at least 48 hours before returning to school. This helps prevent the spread of illness and keeps our school community healthy.

Looking ahead, at the start of next term, we have the Education Review Office (ERO) coming to begin the review process for Kuranui. This is an exciting opportunity for us to showcase the great things we do here and gain valuable feedback on areas for improvement. I will keep you updated throughout the process and welcome any questions or feedback from our whānau.

Thank you for your ongoing support and commitment to our school community.
