

# Kuranui Primary News

11th April 2025

Kia ora Ē te Whānau,

It feels like just last week we were welcoming everyone back to school for the start of 2025, and yet here we are already at the end of Term 1. It's been an exceptionally busy and fulfilling term.

Our tamariki have been full of life, consistently displaying our KURA values and showing a strong thirst for learning. We are incredibly proud of them. Whether they're in the classroom, on the sports field, or out in the community, they represent our kura with pride and are outstanding ambassadors for our school.

Once again, our community continues to show amazing support for what we believe is the best school in New Zealand! Whether you're attending events, volunteering your time, or simply making sure your tamariki are here and ready to learn, we are so grateful. Your support makes all the difference.

To our dedicated staff – thank you. It's been a full-on term, not only with the daily mahi of teaching and learning, but also with the extra layer of professional development as we navigate the new Literacy and Maths curriculums. The introduction of PRIME Maths has added another exciting dimension to our teaching, and your hard work and commitment to getting it right is deeply appreciated.

Term 2 is looking exciting as well, starting with a visit from ERO (Education Review Office). We will be warmly welcoming them to meet our amazing students and review how we are going as a kura. Their visit will take place on the Tuesday and Wednesday of Week 1.

Wishing you all a safe, restful and happy holiday break. We're looking forward to seeing everyone back for Term 2, refreshed and ready to go!

Ngā mihi nui  
Mike
