

Kuranui Primary News

11th April 2025

Kia ora Ē te Whānau,

We've had a fantastic start to Term 2 here at Kuranui! In Week 1, we welcomed our evaluation partners from the Education Review Office (ERO) for their visit. It was a truly positive experience, and we were so proud to hear their wonderful feedback about our school.

The ERO team spoke highly of our amazing tamariki, commenting on how respectful, kind, and positive they were during their conversations. They also acknowledged the strong and supportive relationships we have within our school – between the community and the school, the parents and the teachers, and most importantly, between our teachers and our students. It was a heartening reflection of the values we live every day.

The Board of Trustees will receive a draft report in the coming weeks, and we'll be sure to share the finalised report with you as soon as we receive it.

As I briefly mentioned last week, we recently farewelled Carlette, who has left us as her whānau embarks on an exciting new adventure in the South Island.

Carlette has been a valued and much-loved member of our Kuranui team, and we will certainly miss her presence in the office. I, in particular, will miss her expert organisation of my diary! We sincerely thank Carlette for all her hard work, warmth, and professionalism during her time with us. Carlette, you will be greatly missed. We wish you and your whānau all the very best for the journey ahead.

We have begun advertising the position on Seek – if you know someone who might be a great fit for our school, please encourage them to apply.

Looking ahead, the next few weeks will be full of activity. Our senior students are preparing for the Cotter Cup, which promises to be an exciting event. We're also having some of the carpet replaced in several learning spaces, which will give parts of our school a fresh new look.

A quick reminder that Friday 6th June is a Teacher Only Day – this will be our final professional learning day for the refreshed maths curriculum this year. Please make alternative arrangements for your child on this day, as school will be closed.

As always, thank you for your ongoing support. Our school is a special place because of the strong partnerships we have with our community.

Ngā mihi nui
Mike

Upcoming Events
