TERM 4 WEEK 5– 15TH NOVEMBER 2024

Strive and Honour

Tēnā koutou Kaimai whānau,

Welcome to the end of week 5! It seems like camp was a long time ago with how fast this term is flying by! This week we started our athletics practices to prepare our students for the athletics day on the 21st November. Unfortunately, the weather forecast meant that we needed to postpone the Marshall's Animal Park visit. Luckily we made the correct call!

It was great to have the whole school out during athletics together and also with the intention of all being at Marshalls. We are aiming to do more and more as a whole school. This is to promote consistency across our school, bring us together more often, make connections with each other so we can continue to build a strong school culture and ensure all our Kaimai Kids are positive contributors to our school.. We continue to keep this as a goal for our school and work hard to make Kaimai the best school it can be. We want to live and breathe our values as they don't just benefit our tamariki at school but also in the wider world and assisting to make great adults!

We have a lot of events happening towards the end of the year so it is important that we have tamariki at school as much as possible, as always, so we can give them ample opportunity to progress and achieve to their potential!

Whāia te iti kahurangi ki te tūohu koe me he maunga teitei

Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

Kia pai ō rā whakatā,
Have a great weekend,

I went to camp. I went to the adventure Course. I looked down and got scared like a baby mouse and started to shake the rope.

When i had balanced on the rope I went to the next level. I carefully jumped over a step and went down the rope. I started to walk slowly, I was still scared but I said to myself "I'm going to do this!"

I went to the next level. I sat down and got down and Balanced on the wood. I was feeling happy because i was not on the rope.

The next level I walked on my two feet. I walked across two pieces of wood. It was easy! I got to the lilypad and jumped over it and then I went on the broken bridge. Big Dog told me not to stand on the pole, so I walked across the wood instead.

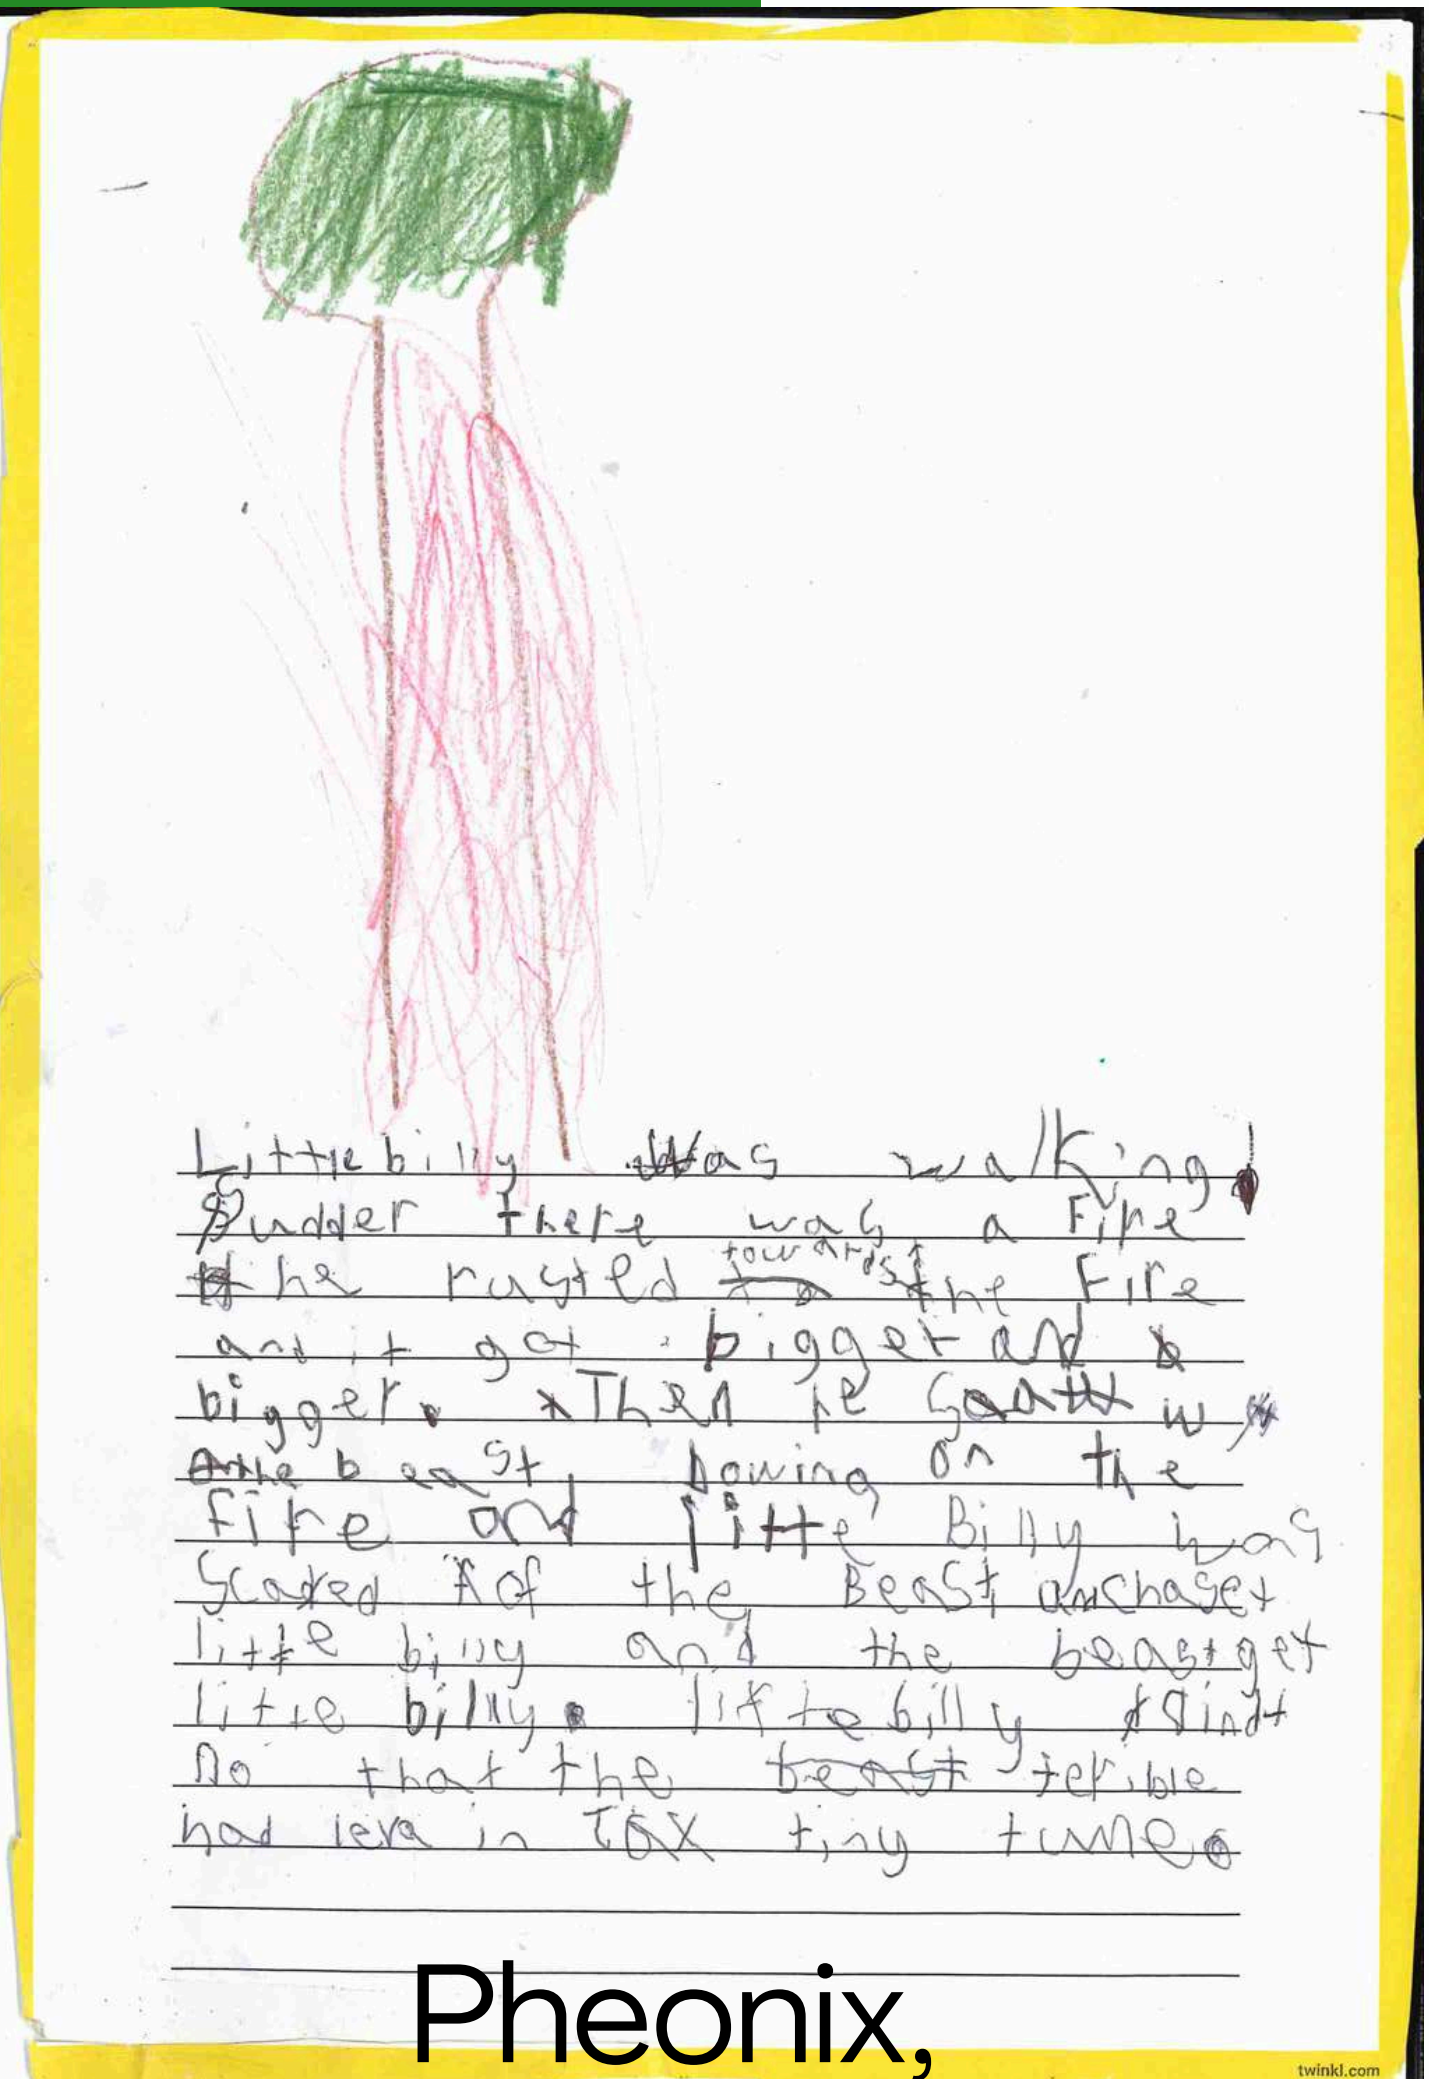

When I got down I felt as happy as a sunflower on the sunniest day!

Touching Base

- If you need to touch base with your child's kaiako then we would like to hear from you.
- If you have any queries about your child, then their class teacher is the first point of contact.
- Teachers are not there to discuss other children!
- Sometimes you may be lucky enough to catch kaiako after school on the same day of your question.
- Alternatively, you can email them and ask to make an appointment at a time that suits you both.
- In your email, include what it is that you would like to discuss.
- Sometimes we may need some time to investigate a concern and may need a day or two to get back to you. It is better that we have time to get all the information and a suitable conclusion than a rushed wrong one!
- We are all here for the same reason-happy ākonga that enjoy coming to school!
