

KAIMAI KORERO

TERM 1 WEEK 9-4TH APRIL 2025

Strive and Honour

Tēnā koutou Kaimai whānau,

The weather has changed but we are keeping our great learning routines here at Kaimai School. It was pleasing to observe a great turn out for the Akoranga Arvo, where our Kaimai tamariki were able to share the learning with whānau. It is fantastic to hear the buzz when you enter the class and the excitement children have sharing their learning. As a school, we are really enthusiastic about opening our school and classes and making Kaimai School the central hub of the community. Events like this help to make these connections and strengthen our relationships with our community.

Next Tuesday we are taking the whole school to Maungatautari Sanctuary Mountain. This trip is purposeful trip that will be the big finish to the unit **Manaakitanga!** As educators we look for ways to bring learning alive and make it contextual for our tamariki. Being able to access an amazing resource as Maungatautari to see, hear, and observe strong manaakitanga can have on our environment. If you haven't already, ensure you have completed the permission form on Skool Loop.

As we come to the end of term, tiredness, the weather changing can lead to some indifferent behaviours. Here at Kaimai School we have high expectations around behaviour and learning. We will keep working hard on our new values and learning right until the end of the term so our Kaimai Kids get the best while in our care. This is something we take very seriously and thank our community for trusting us with your tamariki!

Touching Base

- If you need to touch base with your child's kaiako then we would like to hear from you.
- If you have any queries about your child, then their class teacher is the first point of contact.
- Teachers are not there to discuss other children!
- Sometimes you may be lucky enough to catch kaiako after school on the same day of your question.
- Alternatively, you can email them and ask to make an appointment at a time that suits you both.
- In your email, include what it is that you would like to discuss.
- Sometimes we may need some time to investigate a concern and may need a day or two to get back to you. It is better that we have time to get all the information and a suitable conclusion than a rushed wrong one!
- We are all here for the same reason-happy ākonga that enjoy coming to school!
