

KAIHERE SCHOOL
Good People, Working Hard

E-Bulletin Monday 2 March 2026

Dear Parents, kia ora koutou;

A lot happening in terms of property maintenance and development this past week. Thanks to John Van Bysterveldt, who put the rock wall in place by the hall, lifted some broken concrete by the front courts to put into lawn and cleaned up an area at the back of the school. If anyone has a tractor to help with shifting some dirt from the back of the school to the front lawn area, some help would be appreciated.

A big thank you also to Jason Davis (Waikato Sheds) and his team for the re-cladding of the sports shed on the school fields. The kids also enjoyed an impromptu rugby game with the team.

Both John and Jason have links to Kaihere School. John served on the board for several years and his four children attended Kaihere School to be followed by Levi and Emily (grandchildren) who currently attend.

Jason's children also attended Kaihere School.

Parent interviews:

Thursday 5th March and Tuesday 10th March. Our focus over the next few days is on parent – teacher interviews. Your child has a note with the suggested time for your interviews. If this does **not** suit, please let us know and we will organise an alternative time. These interviews are really helpful to teachers in terms of ensuring that their learning needs are being met.

If you wish to bring your child along to the interview, you are welcome. We leave that to parents to decide whether they want to or not.

Classroom Awards

Well done to the following students who received classroom awards at our Friday assembly:
Hayden Williams, Sylvie Beale Jones-Roberts; Charlotte Harris, Levi Koch, Mothish Edirimanna, Eliza Harris and Yalindu Edirisooriya.

Kaihere School Friends

This is a board initiative to keep past students and families in touch with Kaihere School. We are currently compiling a register of interested persons. Please pass this message on to anyone whom you think would like to join or email principal@kaihere.school.nz and we will follow up with contact. Jason Davis was the first person to register for *Kaihere School Friends*.
