Newsletter: Week Eight/Term Four

Kia ora everyone

Welcome to our Week 8 newsletter and the realisation that the end of the 2025 school year is just over 2 weeks away.

We are looking forward to our last EOTC (Education Outside the Classroom) event with our Beach Education Day at Raglan next Friday. This is a fun and educational day and an excellent way to finish the year. Thank you to all of you who have offered transport and supervision on this day. We could not hold this day without your support and are very grateful to you all.

We will be sending out final information for this day next week.

Senior Athletics:

Our senior students attended these at Glen Massey on Friday 14th November, and it was pleasing to hear the reports of the good behaviour, sportsmanship and enthusiasm of our students who participated.

A big thank you to parents and whanau who provided transport and support for our students on this day.

Swimming Pool Update;

The new pump has been ordered and will be installed next week. Unfortunately, this will be too late for us to have the pool up and running before the end of the year. Unless there are any further setbacks, the pool will be ready for action on the first day back next year.

End of Year Reports: All student's reports will be given out at the conclusion of Prize Giving.
