### **Supporting Attendance During Winter**

Regular school attendance is vital for learning, social development, and overall wellbeing. As we enter the winter, there will naturally be times when it is appropriate for tamariki to stay home and recover from illness.

However, minor symptoms do not always require time away from school. Below is a link to information that will help parents and caregivers decide when it is okay to send their child to school, when they should keep them at home, and when they should contact a health professional for advice. Please see the link below for guidance about this.

## **PRINCIPAL'S MESSAGE:**

### **School Board Election coming up in September 2025**

What is a School Board?

Every state and state-integrated school/kura in New Zealand is governed by a school board (formerly known as a board of trustees). The school board is a crown entity – that is, an organisation that is part of the New Zealand public sector. One of the board's primary objectives is making sure every child reaches their highest possible standard in educational achievement.

What do boards do?

The board has overall responsibility and accountability for the school/kura. School board's legal responsibilities are determined by the Education and Training Act 2020. The Act sets out boards' four primary objectives. These are ensuring student achievement for all of its students, including for those of differing needs, making sure the school is a safe place for all, and giving effect to the Treaty of Waitangi.

As part of its focus on these four objectives, boards' responsibilities include:

- Setting the strategic direction for the school
- Protecting the school's values
- Monitoring and evaluating student learning outcomes
- Approving policies
- Financial stewardship
- Building community engagement and support

It's important to note that the board does NOT get involved in the day-to-day running of the school.

## **PRINCIPAL'S MESSAGE:**

What skills do board members need?

Board members (formerly called 'trustees') are active leaders in their school/kura. People often think board members need to have a legal or business background - but that's not the case at all. The most valuable skills board members can bring to the board table are:

- Work well as part of a team.
- Not afraid to ask challenging questions.
- Have good communication skills.
- Be connected to their community.

Who can become a board member?

Anyone in the community can become a board member. There are board members who are tradies, office workers farmers, doctors, stay-at-home parents and caregivers, bus drivers and retired people. It doesn't matter what you do – it matters that you care about education in your community and you want to make a difference. It's also really important for boards to reflect the diversity within their school community.

How do I become a board member?

Schools elect board members every three years ('triennial elections'). Some schools also run 'mid-term' elections (held every 18 months), and if a board member resigns during their 3-year term, the school may hold a byelection to fill the vacancy. All parents, legal guardians and immediate caregivers of students enrolled full-time in a state, state-integrated school or kura can, and should, vote in the elections for parent representatives.

## **PRINCIPAL'S MESSAGE:**

### **School Board Election coming up in September 2025**

Iqra School next election will be 10 September 2025. Go to the school board elections website: [www.schoolboardelections.co.nz](http://www.schoolboardelections.co.nz) for more information. Our Returning Officer, Samar Ahmad, will communicate with the community when nominations are accepted and how to do this. Here are some dates below to keep in mind:

- 1. 9 July- select returning officer**
- 2. 16 July- close main roll**
- 3. 18 July call for nominations**
- 4. 5. 4 Aug- close supplementary roll**
- 5. 13 Aug- voting electronically begins**
- 6. 10 Sept – election closes**

How are boards structured?

Boards are typically made up of between 3 and 7 members. It all depends on the size and structure of the school. Our school has three parent members. Boards also include a staff representative - voted in by staff, and schools with students in year 9 and above, have a student representative - voted in by students. Everyone has equal standing on the board – that means an equal voice and opinion on the issues being discussed, an equal vote and equal accountability. The Education and Training Act 2020 provides some discretion and flexibility around how boards can be structured. This is to ensure boards are able to attract candidates with the required skills to deliver good governance and also that they reflect the diversity within their community.

## SPECIAL CHARACTER DIRECTORS' MESSAGE:

**مدرستنا وموسم الحج: فرصة للتعلّم والتأمل**

مع إطلالة الأيام المباركة من شهر ذي الحجة، تستعدّ مدرستنا لاستقبال هذا الموسم العظيم بروح تعليمية هادفة، حيث تسعى إلى تحويل هذه المناسبة العظيمة إلى فرصة لتعميق فهم طلابنا لشعيرة الحج، ركن الإسلام الخامس، وربطهم بقيمتنا الإيمانية والتربوية.

وفي هذا الإطار، يشارك طلاب الصفوف من الأول حتى الثامن هذا العام في مشروع جماعي عن الحج، يعملون على تنفيذه بإشراف معلمهم. يهدف المشروع إلى تنمية فهم الطلاب لمناسك الحج ومعانيه وأبعاده الروحية والاجتماعية، بأسلوب تعاوني وإبداعي.

ومن باب التنوع في الأساليب التعليمية، اختارت المدرسة هذا العام تنفيذ هذا المشروع بدلاً من نشاط محاكاة شعائر الحج، الذي يُنفَّذ في بعض الأعوام، كي نمنح الطلاب فرصة لاكتشاف جوانب جديدة من هذه الشعيرة العظيمة.

سينجز الطلاب أعمالهم في مجموعات صغيرة، وستُعرض المشاريع في معرض مدرسي يوم الخميس 5 يونيو. ومن الجدير بالذكر أن هذا النشاط ليس مسابقة، بل فرصة للتعلّم من خلال التعاون والإبداع.

يسرّنا أن نُخبركم أنه يمكنكم المرور على المعرض في نهاية اليوم الدراسي عند حضوركم لاصطحاب أبنائكم، للاطلاع على أعمال الطلاب إذا رغبتم في ذلك.

نسأل الله أن يبارك في جهود طلابنا ومعلمينا، وأن يرزق أبنائنا حجاً في المستقبل القريب، ويغرس في قلوبهم محبة الشعائر وتعظيمها.

## Leader of Special Character Miss Ghada and her team:

### Our School and the Hajj Season: A Time for Learning and Reflection

As the blessed days of Dhul-Hijjah approach, our school is preparing to welcome this sacred season with a purposeful educational spirit. We aim to turn this special time into an opportunity for our students to deepen their understanding of Hajj—the fifth pillar of Islam—and to connect with its spiritual and moral values.

In this context, students from Year 1 to Year 8 will participate in a **group project about Hajj**, guided by their teachers. The project is designed to help students explore the rituals, meanings, and spiritual dimensions of Hajj in a collaborative and creative way.

To bring variety to the learning experience, **the school has chosen this project-based approach instead of the usual Hajj simulation activity held in some years**, allowing students to explore the topic from a new perspective.

Students will work in small groups, and their work will be showcased in a **school exhibition on Thursday, 5th June**. Please note that this is not a competition, but rather a learning experience focused on teamwork, understanding, and creativity.

We are pleased to let you know that **parents are welcome to view the exhibition at the end of the school day while picking up their children**, if they wish to do so.

We ask Allah to bless the efforts of our students and teachers, to grant our children the chance to perform Hajj in the near future, and to instill in their hearts love and reverence for the sacred rituals of Islam.
