Property Works

A huge thank you to Tom Brock for his work in taking down the tree in the middle of the car park. It has greatly increased the space for parents/caregivers to park and is helping keep our whanau and tamariki safe. We really appreciate the reverse parking in the drive too which has significantly reduced congestion and is saving our grass. Thank you for shutting the gate when you come to school between the hours of 9:30 and 2:30.

Kick Start Breakfast Club

This term we have signed up to the Kickstart Breakfast Programme.

Students are making themselves weetbix and milk on arrival to school. Some are having their 2nd or 3rd breakfast!

The KickStart Breakfast Programme is a joint initiative between Fonterra, Sanitarium and the Ministry of Social Development. The programme is designed to positively impact child well-being through providing access to nutritious food at school.

Up and Coming Events:

Using the skooloop calendar function is the most effective way to view school-wide events. The calendar function can be found on the home screen of the app. If you tap the three bars on the top right of the screen, the calendar reverts into a year's events list. The screen shots below give a breakdown of the process. Closing and restarting the app periodically resets all notifications, events, and forms, ensuring all updates are live. All events are posted here.
