

KINGSGATE SCHOOL

Kia mohio, ki te aroha, ki te mahi.
To know, to love, to serve.

Newsletter - Thursday 19 June - Term 2 Week 8

From the Principal

It's an exciting time for our High School, with the long-awaited move into our new building not far away. We're hopeful that everything will be in place by the start of Term 3; however, the exact move-in date will depend on several final steps falling into place -handover, council inspections, and the arrival of our furnishings. While we can't give a confirmed date just yet, please be assured that as soon as I know, our community will know too.

I also want to take a moment to talk about the importance of parent participation at school events. Our High School students are involved in a rich and meaningful Service Learning curriculum that is central to who we are at KingsGate. These events provide our students with opportunities to live out our values, grow in leadership, and bless others. However, many of these events are going ahead with very little support from our parent community. I regularly hear from parents during interviews that they are more than willing to support the school, and I believe this, but I would love to see that support more clearly in action. Even small contributions of your time make a big difference to the students and the culture we are building together.

Lastly, I want to encourage you to make it a daily habit to talk to your child about their day, celebrate the good moments and walk with them through any challenges. When concerns do

arise, it's vital that we work together through our school's Concerns and Complaints Procedure. Children, especially younger ones, can be very observant but not always accurate interpreters of what they see or hear. If your child raises an issue, let them know they've been heard—but also help them (and us) by reaching out to their whānau teacher first. That's the best way to ensure we all have the full picture and can work together toward a positive outcome.

School is a partnership, and I deeply value your role in shaping our shared journey at KingsGate School.

THE **TRICKY CHATS**TM PARENTING COURSE

Tuesday, 24 June at KingsGate School

Parenting students in a digital age is an area of concern that many parents are asking questions around how can we best support our child to navigate a tricky, challenging and changing reality.

As part of our Well-being term KingsGate in conjunction with Franklin Baptist Church are bringing Jo Robertson from "The Tricky Chats: Parenting Course" to run a talk on "Left to their own devices: Parenting in the digital era". This talk will support parents with skills and strategies to support their child in navigating safe use of digital spaces.

This event is going to be held at KingsGate School at 7pm on June 24th. There is no cost to attend and supper will be provided.

We look forward to providing this event and hope to see you at it.

Prayer Points

- For continued healing from the various illnesses affecting our school community and students, and for ongoing protection and good health.
- Gratitude for the recent days of beautiful sunshine and blue skies following the rain, allowing students to enjoy their break times outdoors.
- As we approach the school holidays, we pray for traveling mercies, safety in all activities and adventures, and that everyone returns refreshed and ready to learn in Term 3.
