From the Principal

Grace in a Season of Growth

As our school continues to grow and evolve, we are constantly reminded of the grace required from everyone involved—students, staff, and families alike. A heartfelt thank you to our primary teachers, students, and parents who are well established in routines and continue pressing on with consistency and care. We also want to sincerely thank our high school teachers, students, and parents, many of whom are navigating "firsts" with us. Your flexibility, patience, and willingness to adapt as we develop new systems and experiences are deeply appreciated. Together, we are building something special, and your grace through the journey does not go unnoticed.

School Board Elections – Is God Calling You?

With School Board elections on the horizon, we encourage you to prayerfully consider whether God might be calling you into a governance role. Serving on the Board is a unique opportunity to work alongside like-minded individuals who are passionate about our school's vision and values. If you have a heart to serve and a desire to contribute to the ongoing growth and direction of KingsGate, don't be afraid to put your hand up when the time comes. It's a rewarding experience, and your voice could help shape the future of our school in powerful ways.

Welcoming ERO – A Growth Opportunity

Next term, we welcome the Education Review Office (ERO) for our first formal review in five years. This is an exciting milestone for us as a school, and we view the review process as an opportunity for reflection, growth, and continued improvement. We look forward to working alongside ERO to identify strengths, address any gaps, and seek out new ways to serve our students and community even better. We trust this process will be a positive and affirming experience for everyone involved.
