

3 November (Noema) 2025 TERM 4

As you know the weather has been very challenging and for this reason we postponed the **athletics** sports. Given the ongoing weather conditions we plan to hold them soon but we will wait until we have had a good look at the weather forecast before deciding the actual day.

Unfortunately our planned trip to the **Island Bay Marine Centre** this week has been cancelled because of storm damage there. We are planning an alternative trip to the beach at Titahi Bay and will let you know when this will be happening.

Saint Pius X practice Kapa Haka every Wednesday....

We hope to show what we have learnt at the Kotahitanga celebration later this month.
