Week 10 Term 2

Monday, 26th June 2023

Nga mihi nui kia koutou katoa,
It was great to see so many parents and whānau attending the **Student Led Conferences**. These events provide important opportunities for our students to take greater personal responsibility and agency in their learning journeys.

Te Waotu School put on a great **Interschool Cross Country** event on Tuesday 13th June. The weather was fantastic and our team of runners were able to challenge themselves on the hilly course. Thank you to Miss Sinclair and Mrs De Vorms for looking after our students and a big thank you to all the parents and whānau that came along to support them. You will find our results inside the newsletter.

This week is our annual **book week** and we are hosting the Scholastic book fair. Sales will start on Tuesday morning and conclude on Thursday morning.

On Wednesday 28th June it is **Grandparents Day**. This is also our **book character dress up day**.

Our hall has limited capacity and we want to keep this day just for grandparents and special whānau friends (for those students that don't have grandparents attending). Parents and caregivers are welcome to join us for our **Matariki celebration**

early next term. If you would like to help us to provide learning opportunities based around the theme of Matariki, during the first two weeks of next term, please get in touch with us.

On the evening of 27th July, we will be having our Matariki celebration. More details about this will be coming home closer to the time.

EasyBus is now managing The Putāruru Schools Transport Network. While we will continue to be the best point of contact for most things during school hours, information and contact can be made via EasyBus's website (accessed via our school website).

As part of the Taku Wairua programme, rooms 4 and 5 will be involved in a **planting day** at the Pokaiwhenua stream on Friday. If you would like to help out on this day please let us know.

Because we will be holding our assembly on Wednesday there will be no final assembly on Friday 30th June.

We would like to wish you and your family a very peasant break over the next two weeks and we look forward to seeing you all again at the start of term 3.

Clocks and Time

Living with schedules and routines.

Set and say times for when things will happen. We are going to school at half past 8. Then I'll pick you up at 3 o'clock. You can help me make dinner at 5 o'clock. You can have a shower at half past 7.

Maths at Home

Draw your child's attention to a clock when it's time to do things so they get used to seeing the time and hearing the time together.

Student Led Conferences

Stories by Room 4

When my mum came I felt weird and nervous, my heart was racing and I was scared I would mess up. But I didn't mess up at all. Student Led Conference went good and I think my mum was proud of me.

Hayley

When my mum came for the Student Led Conferences I showed her around my class, Room 4 of course. It was nice having a look around my class with my mum. It was nice looking at all the work and art that I did in the year. If you don't know what Student Led Conferences are, it's like you're just showing your work that you have done and you just walk around like it's just class time. It's fun doing it but there is sometimes when you're shy.

Charlotte T

On the day that I went to Student Led Conferences I had a cool experience because I showed my dad something on my slides. It was a cool experience to show my dad my amazing work. My dad's the best.
