Week 4 Term 2

Monday, 19th May 2025

Kia ora e te whānau,

We are pleased to say we are now open to new enrolments at all year levels and are excited to support every learner on their unique educational journey.

We would like to give a warm welcome to **Jared Conrad**, who has kindly offered to fill in as our part-time caretaker until we find a replacement. Jared is doing a wonderful job, keeping up with all of our maintenance in and around the school. Thank you Jared!

Exciting News! We have joined up with **lunchonline** and Dominos Tokoroa to bring pizzas to Lichfield School. deliveries will be on the last Thursday of each month. See inside for details on how to set up an account and place an order. New members can use code: 25NEV to receive \$5 off their first order. Orders can be placed at anytime but must be made before 9.00am on the day of delivery.

On Friday our students demonstrated outstanding empathy and teamwork by raising funds for **Pink Shirt Day**. Their dedication to promoting kindness and standing up against bullying highlights the values we uphold as a school and our commitment to creating a safe, inclusive environment.

Together **we raised \$213.00**

On Wednesday, we celebrated Support Staff Day—honouring the dedication, care and hard work our incredible team brings to our school every single day. Your efforts don't go unnoticed!

Winter Sports Photos (Netball and Football/Soccer) are happening this Thursday at 11.00am. Please ensure your child comes prepared with their full sports uniform. All coaches are invited to attend their team's photo.

Reminder! School will be closed on Monday, 2nd June for King's Birthday.

Maths at Home

An American football coach asks his players to line up in 2 rows. In each row, there are 9 players. The letter p stands for the total number of players. Which equation can you use to find p?

$$2 + 9 = p$$

$$2 \times 9 = p$$

Being a Board Member

I have been on the board for nearly 5 years and have learnt so much.
Our board is made up of people from various backgrounds, who all
bring their own strengths and skills. We are always learning and
being supportive. It was a bit daunting when I first came on the
board, as I was not sure what was expected and I did have imposter
syndrome. However, if you come with aroha and are open to learning
as you go, it becomes easier. I believe our goal is to make Lichfield a
thriving school, where our tamariki get to have an amazing school
experience.
