Kia ora e te whanau,
Welcome to winter...No doubt we all struggle to
get out of bed on these cooler mornings but
once that is done, the days have been really
nice, well once the sun comes out aye...

The kura attended the opening of the new Kainga Ora homes on Lawrence Street yesterday. A large gathering of the community in attendance were able to see first-hand what these homes look like and to appreciate how comfortable they will be for many of our whaanau. There were a total of nine homes completed. There is potential to add more to this number in the same area. The speakers included members of the Ormsby and Tangihaere whaanau. Matua Kingi, Mayor John Robertson and the big boss man from Kainga Ora. The names of the roads leading to the homes are called: Te Ara o Ngapakiki and Atira Lane. Named after Tupuna from that area.

Let's make the most of these fine days (once we have thawed out from the frost) Have a great week whaanau...

School lunches are made at the kura. Our senior students are seen here enjoying the chicken, rice and vegetables.

As part of the ceremony,
visiting every room in every house
for the blessing was done

Two of our tamariki from the kura were invited to help with the unveiling of the sign for the new housing complex along Lawrence Street. This new sign reads: Te Ara o Ngapaki

Attendance Update: Term 3:

The second week of the term continues to challenge us with attendance numbers a lot lower than normal. As mentioned before, the Gov't goal of 90% maybe a little unrealistic, so if we can reach an overall mid to high 80% of attendance, then we start to rebuild again.

Atira Lane takes you to more of the new homes
