

MANGATANGI SCHOOL

'A thirst for learning'

Issue 11

NEWSLETTER

22 July 2025

FROM THE PRINCIPAL

Dear Parents, Caregivers and Whānau,

Fabulous start to Term 3!

We've had a wonderful start to Term 3, with students excited to return, reconnect with their friends and jump straight back into learning. The energy around the school has been really positive, and it's been great to see such enthusiastic engagement in classrooms and out in the playground.

While we've had some ongoing internet issues since day 2, staff and students have adapted well, showing resilience and flexibility throughout the week.

We were pleased to welcome two new students this term - Grayson to Room 4 and Caiden to Room 6. It is always so lovely to see our current students take new comers under their wings and help make starting at a new school just that little bit easier.

Each class has also taken part in practising earthquake drills this past week, ensuring everyone knows what to do to stay safe in an emergency.

The wet weather last week enforced inside play and the field being cordoned off; however, the fine weather we are now experiencing has meant great use of our field, swings and playground - lunchtimes have been full of laughter and activity.

Looking ahead, preparations are well underway for Calf & Lamb Day, with indoor exhibits taking shape beautifully. We can't wait to see the creativity on display!

A reminder that our Cross Country is Friday week and the information you will need is later in this newsletter.

Have a great week!

Ngā mihi,
Christine West, Principal

Calendar

July 2025

24th School Board meeting 6:30pm

*For more information, contact
bot@mangatangi.school.nz*

28th Last day for ICAS Test entries

30th Year 7/8 Technology

August 2025

1st Mangatangi School Cross Country

3rd **Playground Demolition Working Bee**
9:00am

7th East Group Cross Country

8th Nominations close for School Board elections

12th Franklin Cross Country

13th Year 7/8 Technology

19th First Aid Training for students

27th Year 7/8 Technology

28th Thriving Tamariki evening with guest speaker Nigel Latta 6:30pm at the Pukekohe Indian Hall

THUMBS UP

- To everyone who came and supported Room 1's Bingo Night last Friday
- To all the students who are remembering to put their polar fleeces with their bags if they take them off during the day - and therefore have them for the next morning when it is freezing!
- To our IT guru Patrick for trying so hard to get our internet working properly
- To the families who are supporting the fundraising lunches
- To all the families who were so organised when picking up their chickens

Congratulations to Ashley Soppet-Main! At the recent Pukekohe Swimming Club prize giving, Ashley was awarded a medal for 2nd in the 11/12 year Male age group Championships **and** also a trophy for the Most Improved 12 and Under Male.

What an amazing achievement, well done!

HAPPY BIRTHDAY

Joe (15/07)
Marley (22/07)
Freddie (24/07)
Zac W (28/07)
Chad (28/07)

SPORTS RESULTS & DRAWS

Mangatangi Magic	26 July / 12:00pm / TK Taniwhas	02 August / 12:00pm / TK Raptors

If your child is playing any winter sport and you would like the results to be published in our newsletter, please advise Mrs Rowberry in the school office of their club, team and result.

2025 Kiwi Spelling Bee

Registrations are now open for the CAM 2025 Kiwi Spelling Bee competition. The aim of the Spelling Bee is to help students improve their spelling, increase their vocabularies, learn concepts and develop correct English usage that will inspire confidence and a love of language that lasts a lifetime.

These are no ordinary spelling bees. In addition to the usual spelling, these competitions will include synonyms, antonyms, grammar and vocabulary! The question types will be multiple choice, fill in the gaps and short answer. The competitions have been designed by experienced New Zealand teachers.

If you are interested, please see the office for a registration form. The cost is just \$9.90 to enter and the online Spelling Bee will take place. The online Spelling Bee will take place from the 1st - 19th September.

Registrations close on THURSDAY 31st JULY

In readiness for the construction of our new playground, we have planned a **Playground Demolition Working Bee on Sunday 3rd August from 9:00am** and would love a hand.

BYO hand tools eg. hammer, sledge hammer, spade etc.

If you have any questions, or to let us know if you are able to make it, please contact Kurt Pogson on 027 379 6770 or email Shelley in the school office on admin@mangatangi.school.nz.

MANGATANGI SCHOOL CROSS COUNTRY

Friday 1st August, 11:00am

As you are aware, the students have been busy training for our Cross Country. Our Cross Country is on **next** Friday 1st August and all the information you need is below:

- All students are expected to arrive at school in full school uniform, then they will be given time to change into their spare cross country clothes.
- House colours or school sports shirts are appropriate if you have them:
Air - yellow, Earth - green, Fire - red, Water - blue.
- Please remember to pack an extra bag to put dirty clothes in after the event.
- Students will be changing back into their uniforms if they are going home on the bus.
- Students need to remember their water bottle for after the race.
- The race will again be held on the farm across the road, thanks to the McCallum Family and Mark & Stephanie Alderlieste.
- Depending on the age of child, they will be running through paddocks, puddles, swamps and up and down hills, and approximate distances are as follows:

Years 1 & 2	500m	Years 3 & 4	1000m
Year 5	1500m	Year 6 & Years 7 & 8 Girls	2000m
Year 7 Boys	2500m	Year 8 Boys	3000m

- The first race will start at 11:00am and the order is as follows:
- Year 8's, Year 7 boys, Year 6 boys, Year 5's and Year 6 & 7 girls, Year 4's, Year 3's, Year 2's, Year 0/1's
- We cannot give you exact start times, however, each race should take approximately 10 - 15 minutes, although we may be forced to overlap the races depending on the weather.
- We will not be walking the course, so your children will be need to listen to and follow the instructions given prior to their race. The courses are clearly marked, so they should be able to follow the markers. Volunteers will be marshals on the day.
- Parking is between the school and the Playcentre, please do not park along the edge of the road as it is already narrow!
- Adults and children will walk across the field to the bottom field gate where they will cross the road. It is a fair little hike down a hill, across a swamp, up part of "Killer Hill" and through the paddock to the start.
- No children can cross the road without an adult.
- Spectators are **not** permitted to bring pets.
- There are no toilets available on the farm.
- Gumboots and warm jackets are essential for spectators. The start/finish area is very exposed, so please ensure you and your children are well wrapped up (children **MUST** take their school polar fleeces over with them)!
- If you would like to take your child home after the cross country event please remember to sign them out with their teacher, who will have a class list on them.
- If extreme weather causes it to be unsafe for us to hold all races, you will be notified via our Hero App and Facebook page. As it is a winter sport we will be endeavouring to go ahead though.
- **Please contact Mrs Rowberry in the office if you are able to help marshal on the day.**
- For those who are invited, East Group Cross Country will be held on Thursday 7th August (at the same place as our cross country).

CALF & LAMB DAY 2025 PRELIMINARY INFORMATION

It is the time of the year when we start to see calves and lambs in the paddocks around the area. If your children are planning on having an animal for Calf & Lamb Day, please note the birth date criteria below:

Lambs : Early: 01 July - 18 August
Late: 19 August onwards

Calves: Early: 24 June - 31 July
Late: 01 to 31 August
(September calves are ok)

Goats: After 01 July

Please also note the following criteria relating to the above animals:

- Students shall start caring for their animals within one week of its birth and thereafter, as far as is reasonably possible, personally care for the animal throughout the competition.
- Students shall use any kind of food in any amount and understand that the animal shall not be raised on its mother or a foster mother.

Animal registration forms will be made available from the school office from the start of Term 3.

HORTICULTURE

If children do not have an animal, Mangatangi School expectations are that they will participate in the Horticulture section of the day. Dates for planting will be detailed in the newsletters in Term 3. Students are welcome to enter both categories if they would like.

TECHNOLOGY PROJECT

This year's Technology project is a **Letterbox!** Technology is one of the four "indoor exhibits" categories, and this is the only one which is completed 100% at home (the other three are completed in class).

When the planning for your child's letterbox is underway, please ensure the following:

- It must be able to be kept outdoors
- It must be freestanding (though we do not need the stand for judging, just the box)
- It is to be no bigger than 500mm x 500mm

It will need to be brought to school during the week of 13 October (2nd week of Term 4).

WINTER WOOLLIES CAMP FUNDRAISER

Check out the gorgeous, hand knitted beanies, headbands, scarves and slippers in the school office.

Made from at least 50% wool, you can stay toasty warm with these gorgeous winter accessories. Even better, a portion of the sale of each item will be donated to Room 1's camp to Wellington later this year!

You can also contact Melissa Johnston with your order on:

Email: johnston.m707@gmail.com or
Phone: 027 245 2924.

You will need to advise your shoe size for the slippers and boots and your preferred main colour.

Thanks Melissa and Gemma from Room 1!

ICAS ASSESSMENTS 2025

What are ICAS assessments?

ICAS Assessments are online assessments which are designed to assess Years 3 and above students' ability to apply classroom learning in new contexts, using higher-order thinking and problem-solving skills. To ensure an engaging and beneficial experience for all students, new ICAS assessments are developed annually for each subject in every year level. For further information about ICAS assessments please visit:

<https://www.icasassessments.com/products-icas/>

Subjects include Digital Technologies, Writing, English, Science, Spelling Bee and Mathematics and tests will be sat between 4 - 29 August (dates are different for each subject).

If you would like your child to participate in any of the ICAS exams, please see the office to collect the permission form and to pay the entry fee (\$22.50 for all subjects except Writing which is \$28.75).

Entries close THURSDAY 24th JULY

Mangatangi School Assembly 27th June
