Term 2, Week 1

Principals News....

Welcome back to term 2. I hope over the term break you managed to get some rest and relaxation. The students have come back with positive attitudes and are ready get into their mahi!

Winter sports

Winter sports start next week. We have several Hockey, Miniball and Basketball teams this year. We are looking forward to an awesome winter sports season. Please make sure all sports subs are paid prior to the first games. We are charged by each individual sports association for fees that help pay for venues and referees, so please get these paid.

School Donation and Technology Fees

Today you will have received your invoice for the school donation. This is \$30 per student or \$50 per family. This fee is payable to school for general purposes.

There is a Technology fee for Year 7 and 8 students for their time at Oamaru Intermediate for the Year 7 and 8 Technology programme. School subsidises this cost by half.

June changes

Just a reminder that if you are moving on from Duntroon, or your address details are changing, let us know about this at school as soon as possible please. We need to have the most up to date contact information.

Health Consultation

You will have received our health curriculum consultation forms this week. It is a requirement from the Ministry of Education that we consult every two years on our health curriculum delivery. Please add any comments you wish to and send this back to school.

Year 8 camp

The year 8 students are heading away to the Waitaki Rural School year 8 overnight trip on May 23rd . The information has gone home to year 8 parents about this today. This camp is termed a leadership conference. The students will get to hear from inspiring people who have had success in leadership. They also get to mingle with other rural school year 8 students.

Teacher Only Day – A heads up!

We will be having a teacher only day on Tuesday June 4th. This is the day after Kings Birthday. The purpose of this teacher only day is to continue our work on the refreshed curriculum.
