

# East Tāmaki School

21 May 2025 Term 2 Week 4

## Learning Celebration

We will be having a Learning Celebration at the hall this Friday 23 May at 2pm. Parents are welcome to attend. We will also be drawing the Garden to Table raffle at this celebration.

## Thank you

A big thank you to all the families who came along to our recent Market Day. It was a successful day for everyone, with lots of the children finding some bargains. We raised over \$800 so thank you very much for your support.

## Helmets

We have noticed recently that a lot of the children are coming to school on their bikes and scooters without wearing a helmet. Wearing a properly fitted helmet is crucial for children while riding bikes and scooters. It significantly reduces the risk of severe head and brain injuries so please ensure your child is wearing a helmet before they leave for school in the morning. If children do not wear a helmet then they are not to ride to school. Bikes and scooters are not to be ridden in the school grounds. This is for safety reasons.

## Headlice

Head lice are very common in the community and we have noticed them at school recently. Please check your children's hair and treat if any lice or eggs are found. We have some lice shampoo and combs available at the office so please come in and get some if you need.

## King's Birthday

Monday 2 June is a Public Holiday for King's Birthday so children do not come to school on this day.
