

East Tāmaki School

6 June 2025 Term 2 Week 6

Lockdown Practice

Some time next week we will be having a lockdown practice at school. Please note that this is a practice. This is so that we all know what to do if we ever had to have a real lockdown. We all need to know the details of what to do to keep everyone safe. During the practice we will follow all our actual lockdown processes. The children will be told what they need to do during a lockdown. This includes everyone staying quietly inside until the lockdown is over.

The school may have to go into a lockdown in circumstances such as a swarm of bees in the school, a dog in the school or a person in the school who should not be there. We liaise with the police during a lockdown and take advice from them as appropriate.

The lockdown next week is a practice.
