

# East Tāmaki School

24 June 2025 Term 2 Week 9

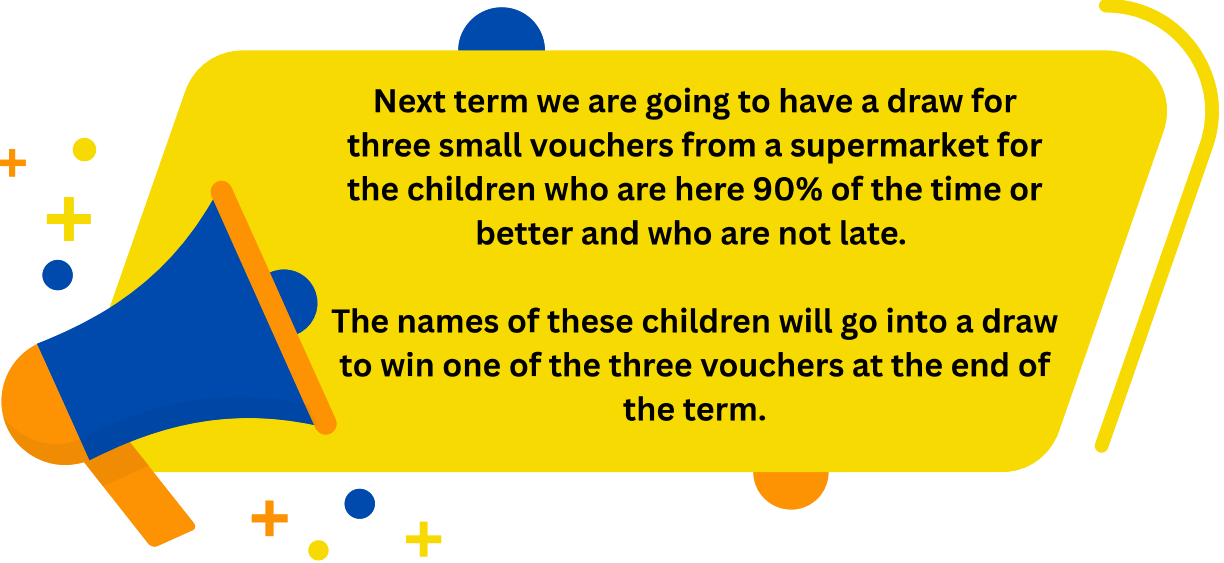

**Every Child**  
**AT SCHOOL**  
**Every Day!**

The Ministry of Education requires schools to have a strong focus on student attendance. **We report attendance information to the Ministry regularly.**

**We want every child to be at school every day.**

This term there has been a big improvement in student attendance. Thank you very much to those of you who make sure that your children are here everyday and that they are not late.

Next term we are going to have a draw for three small vouchers from a supermarket for the children who are here 90% of the time or better and who are not late.

The names of these children will go into a draw to win one of the three vouchers at the end of the term.
