Carpark Safety

It has been said many times however it needs to be said again.

Please do not drive into the Preston Road carpark to drop your children off nor to pick them up.

Yesterday morning there was a very dangerous situation where a parent came into the carpark and then drove out. The parent almost crashed into some of our children walking into school. This could have been a very serious situation.

Parents are to drop their children or pick them up outside the school and then the children walk into or out of school. **Even if the gate is open please do not drive into the carpark.**

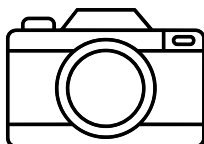

Please do not drive into the Preston Road carpark to drop your children off nor to pick them up.

Photo Day - Date Change

Our school photos will now take place on Tuesday 18 November and not on Monday 10 November as mentioned in a previous newsletter.

They will start taking photos from 8.30am for the children. If children are late they may not be in the photo so they need to be here by 8.15am as usual and please make sure children are dressed in the correct school uniform as always.

Photos will be available to purchase through PhotoLife directly.
