Teacher Only Days

Schools can use two authorised closure days (or four half-days) for curriculum-related professional learning. All teachers are required to do online learning for Structured Literacy. Our provider, Better Start Literacy Approach for Literacy Leaders and Teachers at Canterbury University, needs two days with us all for professional development.

Thursday 28 August 2025 - school closed for instruction

Friday 29 August 2025 - school closed for instruction

This is week 7 of this term. Please organise childcare for your tamariki.

These are the only teacher-only days we will have this year.
