## MATHEX 2025 - WEDNESDAY 25th JUNE

The annual Castlecliff Mathex competition is coming up, right around the corner and we are **super excited!** As a House Competition, we have invited tamariki to get into the spirit of things and wear house colours on the day. Students may substitute an item of school uniform for an item of clothing that is solidly in their house colour. They may also accessorize in their house colour. **It is important to note that this is NOT a mufti day** - normal school attire must be worn for any item not in house colours. It is up to your tamariki how much of their colour they wear - as small as a ribbon or as big as a tutu. Every student displaying their colour at the time of competition will earn additional house points for their house.

Sorry whanau, I know many of you would probably like to come support your tamariki on the day but this is a closed event to ease the pressure off our tamariki in a competition format. But, please, be sure to talk to them about it before and after and see how it went.

We had such a great time last year, we are hoping for another successful event for 2025!

Na Whaea Jocelyn

### **The 10-Day Challenge Is Coming To Our School ...**

A free, school-wide event that helps students master their multiplication facts in just 10 days.

The Fast-Track Challenge builds more than recall. **It builds momentum. Confidence. Participation. And belief.**

And the best part?

**It all happens at home, with parent support — no teacher prep or supervision required.**

**Our school's Parent Invitation Link will arrive tomorrow.**

It will be sent out school-wide within the next week and you'll be eligible to receive \$100 worth of classroom resources — including Smart Tables, Wall Posters and Write-On Charts — valued at \$100.
