

### Check & Connect 2

Thursday 29th August, 10:30am - 7:00 pm.

This term we will be running subject-based interviews for all students and Whānau. Term Three is in full swing and is a crucial time to check-in and connect with subject teachers.

Students need to be thinking about how they are progressing towards their respective NCEA qualifications and end-of-year external examinations. At this time subject teachers will be able to provide constructive feedback and feed-forward regarding goals, progress and next steps for your child to ensure success.

Interviews will start at 10:30am through to 7:00pm. Interviews will be held in the school Hall, where all teachers will be stationed in order to streamline the process of moving from teacher to teacher.

Appointments can be made online, making it very quick and easy for you. Simply go to the following website <https://www.schoolinterviews.co.nz/code/bzupk> and enter the code **bzupk**. From there you will be able to select teachers and time slots to suit. This function will be open from Friday 23rd August. However, should you not have access to the internet, there will also be a manual option to book interview times through the school office or directly with the subject teachers.

With Matua Kiwi away on Leave until 5th September and Whaea Terehia at a EBOP Principal meeting on the 29th August, whānau interviews for NCEA Te Reo Māori level 1-3 and scholarship Reo Māori can be arranged for another date. Please contact Matua Kiwi upon his return and Whaea Terehia next week.

We hope you take this opportunity to join us.
